The Person taken into custody ... ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>26</u> day of <u>August</u> , <u>2026</u> at <u>00:56</u> (Specifically include facts constituting cause for arrest.)											
	On August 26th, 2026, at approximately 0043 hours while traveling eastbound on S.R. 706 (W Indiantown Rd), stopped at the intersection of Loxahatchee Dr, I observed a vehicle traveling westbound on S.R. 706 approaching the same intersection. I observed the vehicle traveling at a high-rate-of-speed as it passed me continuing westbound on S.R. 706.											
	I conducted a U-Turn and attempted to catch up to the vehicle which I paced around 68 MPH as it continued westbound on S.R. 706. I observed the vehicle veer to the left, and veer to the right, unable to maintain a single lane of travel. The traffic signal at the intersection of S.R. 706 and N Delaware Blvd indicated red and the blue Chevrolet Equinox bearing Florida Tag (#CG93GV) began to brake late and came to rest on the crosswalk, partially in the intersection. The traffic signal indicated green and the blue Chevrolet Equinox kept the brakes applied, not moving and I initiated a traffic stop with my lights and sirens activated in my fully marked patrol vehicle.											
S T A T E M E N T	I exited my patrol vehicle and verbally instructed the driver, later identified as Chevelle Machleid (W/F DOB: 03/22/2001), to shut the vehicle off, to which she complied. I then verbally instructed Machleid to take her car keys and drop them outside of her driver-side window, to which she complied. I approached the driver-side of the vehicle and made contact with Machleid and introduced myself and explained the reason for my presence and I could smell the strong odor of an unknown alcoholic beverage emanating from the interior of the vehicle. I asked Machleid where she was coming from and Machleid advised Johnny Mango's. I asked Machleid if she had been consuming alcohol tonight and Machleid advised she had a little bit to drink. I explained to Machleid I did not ask her how much she consumed, but if she had been drinking, to which she advised she had. I asked Machleid how much she had to drink and Machleid advised she had one (1) drink. I asked Machleid when she arrived at Johnny Mango's and she advised at approximately 0000 hours and she was there for approximately 30 minutes. I asked

Machleid to exit the vehicle, to which she complied and instructed her to walk to the rear of her vehicle. While at the rear of the vehicle, I could smell the odor of an unknown alcoholic beverage emanating from Machleid and I explained to Machleid based on her driving pattern and Machleid advising she had consumed alcohol, I asked if she would be willing to participate in Standardized Field Sobriety Task's (SFST's) to dispel the notion she may be under the influence of alcohol. Machleid asked what tasks she would have to perform and I explained Horizontal Gaze Nystagmus, The Walk and Turn, and The One Leg Stand. Machleid advised she would be willing to participate in SFST's. I asked Machleid if she had any physical ailments which would prevent her from performing the aforementioned tasks, and Machleid advised her right ankle was injured, but it should not effect her ability to perform the tasks. I advised Machleid if at any point her ankle became an issue, we would navigate the problem. I asked Machleid if she was under the care of a physician and she advised she was not, nor does she take any medication which would effect her ability to perform the tasks. I asked Machleid if she had seen a dentist today and she advised she had not. I also asked Machleid if she wore glasses or contacts and Machleid advised she does wear glasses to see far distances. The first task I administered was the Horizontal Gaze Nystagmus, which I explained to Machleid who advised she understood. I moved my stimulus (pen) to the left and right completing four (4) passes and observed a lack of smooth pursuit in both Machleid's left and right eye as they lagged and jumped in an attempt to track the stimulus. I completed two (2) more passes from left to right and held the stimulus at maximum deviation, so I could not longer observe the white in the corner of Machleid's left and right eye respectively. I observed both Machleid's left and right eye jerk from the corner of her eye and back to center in an attempt to maintain visual of the stimulus. I made two (2) more additional passes from left to right and observed Machleid's left and right eye jerk and bounce prior to 45 degrees, completing a total of eight (8) passes. The second task I administered was The Walk and Turn, which I explained and demonstrated to Machleid. I asked Machleid if she had any questions and Machleid did not seem to understand the task, so I demonstrated a second time and Machleid advised she understood. Machleid started the task before she was instructed to do so, at no point did Machleid step heel-to-toe, conducted an improper turn, stopped after the turn and asked, "is that nine?", and used her arms for balance. The third task I administered was the One Leg Stand, which I explained and demonstrated to Machleid who advised she understood and did not have any questions. I instructed Machleid to begin and Machleid used her arms for balance and swayed during the task. Machleid was subsequently placed in handcuffs which were checked for spacing, and

I request Machleid provide a breath sample for the purposes of determining the alcohol content, but Machleid refused. I read Machleid Implied Consent, and Machleid refused a second time at 0106 hours.

Ofc. Ramos (ID #1282) observed a Michelob Ultra in the front coaster of the center console, which was cold to the touch and contained approximately 6 ounces of alcohol. Ofc. Ramos photographed the Michelob Ultra with his department-issued phone and uploaded it to evidence.com.

Machleid was searched and placed in the back of my patrol vehicle and was subsequently transported to 196 Military Trl, Jupiter, FL 33458 (Jupiter Police Department).

Based on my observations and investigation I have probable cause to charge Chevelle Machleid with the following:

 316.1939(1) (D) DUI - REFUSAL SUBMIT DUI TESTING

The vehicle was towed and turned over to All Hooked Up towing.
