The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 2/25/2024, at 0252 hours, I conducted a traffic stop on the defendant for a welfare check at 5223 Orient Rd. Upon contact with the defendant, I observed signs of impairment, such as glassy/watery eyes, slow/lethargic movements, and the distinct odor of an alcoholic beverage emanating from her breath. The defendant was asked to participate in the Standardized Field Sobriety Exercises, to which she refused. The defendant was placed under arrest for DUI based on the totality of the circumstances. I transported the defendant to Central Breath Testing (CBT). After a proper 20 minute observation period was conducted, the defendant agreed to provide two lawful samples of her breath. Breath technician T. Gant ABN 3981 provided me with the results and they are as follows: first BrAC sample .062, second BrAC sample .062. The defendant was positively identified via FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
