The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did: On 06/09/26, at approximately 1927 hours, District II Street Crimes Units were assisting with an investigation involving a residential burglary and stolen firearms. Detective Bains (ABN 258055) was conducting an interview with the involved party (HCSO case #26-384456) when the defendant arrived at the residence. The defendant pulled her red Acura ILX bearing FL tag 21EXIJ (VIN 19VDE1F50DE019245) into the driveway approximately 7 feet from where the detective was conducting his interview. The interview being conducted by Detective Bains involved the defendant's brother, who is legally an adult, who had an active warrant for his arrest. The defendant does not live at the residence and did not have any lawful purpose to be at the residence during the investigation. I came into contact with the defendant and gave her approximately ten verbal commands to stop impeding the investigation and leave the premises. The defendant refused to comply with the multiple lawful orders. When I advised the defendant that she can leave the premises or be placed under arrest for impeding the investigation, she stated, "Well then just take me now." After the defendant calmed down, I conducted a post Miranda Warnings interview. The defendant admitted to refusing to leave the scene of an active investigation. The defendant was positively identified via her FL DHSMV photograph. The defendant is not APAD eligible due to her adamant refusal to leave the scene of active investigation.							
Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
