PROBABLE CAUSE STATEMENT			
The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody: ☒ Committed the below acts in my presence. ☐ Confessed to [WITNESS] admitting to the below facts. ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts. ☐ Was found to have committed the below acts, resulting from my (described) investigation. On June 28th, 2026 at approximately 02:06, I was patrolling Southbound on S Military Trl, unincorporated West Palm Beach, Palm Beach county, where I observed a Blue Jeep bearing FL tag 77FPMK, traveling Southbound in front over me. The Jeep left its lane to the left and struck the median. I continued following the vehicle and observed it swerve side to side in the lane. I conducted a traffic stop on a blue Jeep activating my overhead Emergency lights as were approached southern Blvd. The vehicle pulled over into a side street. I approached the driver's side of the vehicle where there was an obvious odor of perfume coming from the interior of the vehicle. I made contact with the driver, who identified herself with a Florida driver's license as Danerys Teijeira Marrero. I the defendant had watery blood shot eyes and spoke Spanish. I asked Marrero why she was driving all over the road. She stated she was going to Don Cafe for food and was coming from work. I asked the defendant to exit the vehicle. She complied and I had her stand near my patrol vehicle. She had visible body tremors while standing. The defendant had watery blood shot eyes. Outside of the vehicle I could smell the odor of burnt marijuana as well as the faint odor of an unknown alcoholic beverage that came from the defendant and continued to increase as she spoke. With the assistance of D/S D. Snelgrove and his limited spanish the defendant was asked if she had any medical conditions and she stated no. She was asked if she had consumed any alcohol and she stated no. I asked if she had smoked any marijuana and she stated no. The defendant stated that she was coming from work at Club Cheetah. Marrero had difficulty understanding my questions and repeatedly requested a Spanish-speaking officer.			

Dispatch was contacted to locate a Spanish speaker but was unable to find one at this time. Based on my observations of her driving pattern, the odor of alcohol and the blood shot watery eyes. I was concerned that the defendant was impaired for the purposes of driving a motor vehicle.

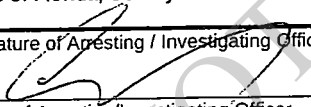

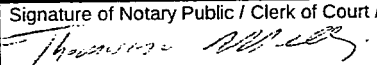

I had the defendant place complete the Horizontal Gaze Nystagmus (HGN) task. I placed a stimulus a white pen with a red tip. I instructed the defendant on the task.

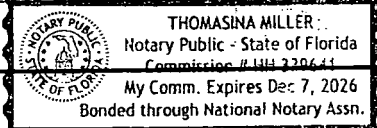

- The defendant had equal pupil size and did not have resting nystagmus
- The defendant's eyes tracked equally
- The defendant had a lack of smooth pursuit in both her left and right eyes
- The defendant had distinct and sustained nystagmus in both her left and right eyes
- The defendant had an angle of onset of nystagmus of approximately 45 degrees in both her left and right eyes
- The defendant had distinct and sustained nystagmus, vertically, in both her left and right eyes
- The defendant had a lack of convergence in her left eye

Due to the defendant being Spanish Speaking and an interpreter not being currently available the task could not be completed.

At this time I found probable cause to charge the defendant with Driving Under the Influence pursuant to Florida State Statute 316.193(1A)

I further acknowledge that I have reviewed the report, made any necessary edits, and believe it to be an accurate representation of my recollection of the reported events.
