The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On the above-listed date, time, and location, the defendant and the victim were engaged in a continuous altercation between approximately 2130 hours and 2230 hours. The altercation turned physical when the defendant grabbed the victim by her arm and pulled her throughout the house, causing visual bruising to her right bicep. During the continuous physical altercation, the defendant choked the victim three (3) times by utilizing both of his hands to do so. The victim lost her ability to breathe during one of these occasions. Further, the defendant attempted to take the victim's cell phone from her while she was sitting down. The defendant reached over the victim's back, draping himself over the top of her, and pulled her cell phone up towards the victim's face. This action caused the phone to strike the victim's upper lip, causing a minor hematoma to her upper lip. The victim verbally identified the defendant as the individual who committed these unwanted acts against her.

The defendant's identity was confirmed via his HCSO Booking Photograph.
