	garage area and met police as they arrived. [REDACTED] appeared upset, frantic, and was bleeding from the right arm from several lacerations. [REDACTED] stated that his [REDACTED] cut him with scissors and was still in room #814. I made my way to room #814 and made contact with Dru Samet (W/F 2/23/70) who was in the room and appeared in distress, crying, and had a towel wrapped around her upper body and had sweatpants on that were ripped. Samet had a small rug burn type abrasion on her right elbow and had dried blood in her nostrils. Samet's hair was wet as well. Samet appeared under the influence of an unknown substance. Samet claimed she only had been drinking, although, she displayed signs of being under the influence of narcotics; speaking rapidly, and having glossy eyes, and was fidgeting, not being able to sit still. Samet advised via sworn statement that her and [REDACTED] went to Thanksgiving dinner together at her parents house and that they returned to the hotel afterwards around 2100 hours. Samet alleged that [REDACTED] was under the influence of narcotics but did not specify what narcotics. Samet continued to explain that [REDACTED] began asking her for sexual favors, specifically oral sex, and when she declined, he became aggressive and started trashing the room and destroying her stuff. The room did appear as if a disturbance took place, there was blood on the walls, on the vanity in the bathroom, around the toilet area, and on both beds within the room. There were clothing items of Samet's in the bathtub that had been soaked. Samet explained that [REDACTED] put all of her items in the bathtub as a way of angering her because of her declining the sexual favors and her asking him to leave. Samet explained that after she demanded [REDACTED] leave the room, [REDACTED] became physically aggressive toward her. Samet alleged that [REDACTED] grabbed her by the hair and dragged her across the room and that she was face down while being dragged. Samet also advised that [REDACTED] grabbed her head and slammed it against the footboard of the bed. Samet declined medical attention. Samet stated that while being dragged, she grabbed an unknown instrument and cut [REDACTED] on the arm. Samet could not say with certainty what instrument it was and the cutting instrument was never located. Samet explained that she was able to get [REDACTED] outside of the room and locked the door. Samet advised that her and [REDACTED] have been dating for approximately four years and have been living together for almost the entirety of those four years, which classifies this incident as domestic in nature. During questioning, Samet was not forthcoming with information regarding the specifics of the incident and how she cut him and with what. Samet never notified police and when asked why, she explained that she just wanted [REDACTED] to leave the room. During the investigation, Samet did not want police to photograph her and although she claimed she was the victim in this incident and was acting in self-defense, she was not cooperating as if she was a victim. Samet advised that she was never sexually battered and no penetration took place, further refusing to be seen by medical personnel. Samet advised that she was never struck. I gathered a sworn statement from [REDACTED] who advised that her and Samet were out at dinner and when they got back to the hotel and the two were engaged in a verbal argument that was going back and forth that got intense. [REDACTED] advised that he went to the bathroom to urinate and that the next thing he realized is that he had blood running down his arm. [REDACTED] advised that he realized he had been cut on the arm by Samet by an unknown cutting instrument. [REDACTED] stated that he then went to sit down on the bed and plead with Samet to fix what she did. [REDACTED] explained that Samet refused to help render aid and then he left the hotel room and drove to Samet's mother's house to show Samet's mother the injuries that were inflicted by Samet. [REDACTED] advised that Samet's mother told him to leave and she was not trying to get involved. [REDACTED] further advised that he returned
