The Person taken into custody... ☐ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the 30 day of June, 2023 at 10:07 (Specifically include facts constituting cause for arrest.)								
C A U S E	On 04/13/2023, I was the detective assigned to a burglary to a vessel that occurred at Old Port Cove Marina (OPC) "north marina". Taken in the burglary were 4- Lingren-Pitman deep drop electric reels, commonly referred to as "LP's". The burglary was on a "Viking" sportfish motor yacht. While investigating that case I discovered that on 05/09/2023 we had another burglary to a vessel at OPC "south docks", also a "Viking", in which LP deep drop electric reels were targeted. These reels range in price from \$6,000 to \$10,000 each. Furthermore, 05/09/2023 it appeared the same individuals burglarized a "Viking" sportfish at 760 Harbour Isle Pl, in North Palm Beach and 2 LP reels were taken. A common denominator with these burglaries was approaching the vessels by water and defeating of the locking mechanisms on the forward hatches. The suspects also seemed to know the interior layouts of the vessels and the locations of the high-end reels in each vessel.								
	When I learned that ther northern county jurisdictions had been hit with similar Burglaries, I reached out to The South Florida Task Force and asked for their assistance. They provided me with a report from 2019 vessel burglary, were individuals were arrested for theft of high nd LP electric reels. Those individuals arrested and or otherwise involved were, Tyler Weyers DOB: 07/15/2003, Christian T. McGregor DOB:10/16/1998, Colton R. Beall DOB: 03/19/2002 and Dylan B. Duval, DOB:08/17/2002, all currently residing at 709 Briggs St. in West Palm Beach except Christian McGregor. Through my investigation, I was able to make a connection with one of the suspects at that location, mentioned in the SFTF report Dylan Duval. Who was positively identified through further investigation as an employee of a local yacht detailing service called "Across the Pond" Which is contracted through and conducts business at Viking Service Center, OPC Marina, Harbour Isles and multiple marinas in other jurisdictions that have been targeted for the high-end reel thefts. All from similar type vessel burglaries, consistently Viking motor yachts, with the same modus operandi.

With this information, surveillance was conducted at the residence located at 709 Briggs St. in West Palm Beach. While conducting surveillance at the residence, North Palm Beach Police Detective Lopez and I saw Weyers, McGregor, Duval and Beall on several occasions. Either through eye witness or video surveillance, going in and out of the residence constant with the times and dates of past and ongoing vessel burglaries in other jurisdictions. We even observed them carrying very large fishing reels in and out of the residence on several occasions. This investigation went on for several weeks in cooperation with the SFTF. On 05/30/2023, I discovered a "Talica" fishing reel on "Facebook Marketplace" posted by Tyler Weyers and on 05/31/2023 we were able make a purchase of the stolen "Talica" fishing reel (Jupiter case # 23-002054) from Weyers, with the use of an undercover PBSO agent. I also participated in multiple surveillance operations with use of one of our marine assets following suspects in the Inter coastal waterways as far north as the Martin County Line and as far south as Southern Blvd. These operations went on for several more weeks and ended on 06/08/2023. When we were finally able to catch Christian McGregor and two juveniles in the act of Burglarizing a vessel in West Palm Beach. On 06/09/2023, a search warrant was served at 709 Briggs St. WPB, in cooperation with PBSO/SFTF in relation to North Palm Beach, Jupiter, Tequesta, Riviera Beach and West Palm Beach cases. While on scene, approximately \$150,000 in stolen fishing equipment was recovered, in addition to large amounts of fishing line discarded in one of the trashcans. While on scene, when asked post "Miranda", Colton Beall admitted to despoiling multiple fishing reels so they could sell them. Later on in my investigation, while reviewing Jupiter Detective Brandon Lopez's BWC footage, of a walk-through of the scene. I saw a pair of Nike sneakers by the front door matching the ones worn by the individual caught on video at Old Port Cove south marina during the burglary of the Viking motor yacht "Alibi". This individual is believed to be Dylan Duval because he was previously arrested for vessel burglaries and theft of LP's as a juvenile. Has access to the vessels through his job with "Across The Pond" yacht detailing at Viking Service Center in Riviera Beach. Identical body type and movements as the individual on video. Moreover, out of all the other suspects, Duval is the only one that wears glasses. These eyeglasses could be clearly seen reflecting in the video footage from the "Alibi" burglary, at Old Port Cove south marina. The same eyeglasses reflection could be seen on video footage from the burglary that occurred on 06/15/2023 at Viking Yacht Center in Riviera Beach. He also appeared to be very failure with walking and climbing on boats and always seemed to know where the cameras were. In the Viking Yacht Center video footage, he even took the time to (shammy) mop the deck of the boat and grabbed the mop out of a rod holder in the cockpit and put it back when he was done barley looking at while he did it. Like it was an everyday thing.

Continuing in my investigation, McGregor and Weyers were interviewed after their arrest at the Palm Beach County Jail, where they both confessed post "Miranda" to burglarizing the motor yachts "Alibi" and "Polarizer". They described in detail how and where the crimes were committed, and stated that Dylan Duval would supply them with an inventory of targeted fishing reels and targeted vessel locations through "Snapshot". After the thefts were completed, they would return to 709 Briggs Rd. West Palm Beach, which is the known address of Tyler Weyers, Dylan Duval, and Colton Beall. McGregor stated that is where they would divvy up the stolen items. McGregor said he would take some of the larger reel and put them at his residence located at 1018 SW Aswan Ave Port Saint Lucie 34953 and the others would be stored in a closet next to the bathroom at 709 Briggs Rd. West Palm Beach. It should be noted that the above given statement provided by McGregor matches in detail months' worth of covert surveillance and the crimes themselves that were captured on video surveillance. With the intricate details, that McGregor provided solidifies that he was in fact one of the participating party of these thefts throughout the Palm Beach County area. When asked, McGregor and Weyers about who wears glasses both stated that out of all the individuals involved, Dylan Duval was the only person who wears glasses. In addition to the glasses, McGregor also stated in his interview at the jail, that it was Duval and Beall that burglarized the vessel "Life is Good" at OPC north marina (NFBPD Case#23000282) in North Palm Beach and shared the contents with Weyers on "Snapchat" the day Duval was working on the boat. Who in turn showed it to McGregor. On 06/10/2023 in a recorded jail, call McGregor states to his mother, that Colton Beall, Tyler Weyers, and Dylan Duval were fully involved with him in the above crimes. On 06/30/2023 after his arrest, Beall confessed in a recorded post "Miranda" to stealing LP's and other reels, but stated he did remember the locations. Beall also stated the Duval would supply information about the targeted vessels inventory. Based on my investigation and the totality of the of the circumstances "Probable Cause" exists to arrest and charge Dylan Brooks Duval, DOB: 08/17/2002 and Colton Joseph Beall, DOB: 03/19/2002 with the following: F.S.S. 810.02(1) (a) (2) (a) Burglary Structure F.S.S. 812.014(2) (b)1, Grand Theft Over \$20,000
