The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody ... ☐ committed the below acts in my presence. ☐ confessed to _____ admitting to the below facts. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>25</u> day of <u>May</u>, <u>2024</u> at <u>02:34</u> (Specifically include facts constituting cause for arrest.) On 05/25/2024 at approximately 0203 hours, I observed a gray Chevy bearing FL tag EMQT56 driving northbound on NW 2nd Ave at the 2000 block. While behind the vehicle, I observed the vehicle run a solid red light at NW 23rd St, in violation of F.S.S. 316.075(1)(c)(1). Just prior to me initiating my lights and sirens, I then observed the vehicle swerving in and out of lanes, failing to maintain a single lane. I then activated my lights and sirens, and the vehicle came to a stop at approximately 2800 NW 2nd Ave. I then approached the driver side and made contact with the driver and sole occupant of the vehicle. I informed the driver why I stopped him and asked if he realized he ran the red light. The driver replied that he did not realize he did so. I then asked him for his driver's license, vehicle registration, and insurance. He then attempted to look for his license and said he did not have it with him. He then tried to look again and located his FL DL inside his wallet on the passenger seat, identifying him to be Dylan Bradley. After handing me his DL, he stopped and looked at me. I then reminded him I needed his vehicle registration and insurance. He then looked around the vehicle, which he advised is registered to his father but that he (Dylan) primarily uses. While looking for his documents, I asked Bradley where he was coming from, and where he was going. He advised he was coming from a girl's house and Kan Pai, and then the Black Rose bar located in downtown Mizner Park area. He further advised he was heading to "4040 NW 2nd Ct." He then handed me a vehicle service receipt for the vehicle and said it was his insurance. I advised him it was not and handed it back. He then handed me an expired vehicle registration. I handed it back and told him it was expired and to find the current one. He then handed me a retail service installment contract and said it was his insurance, which it was not. He then handed me the same expired registration he already handed me. While standing on the driver side of the vehicle, I could smell an odor of an unknown alcoholic beverage emanating from the driver side of the vehicle. I could also observe Bradley had bloodshot and glassy eyes. Based on Bradley's driving pattern

and my observations, I became concerned that Bradley had been operating a motor vehicle while under the influence of alcohol and/or a chemically controlled substance. I asked Bradley to step outside the vehicle, which he willingly complied.

Once outside, I asked Bradley if he understood why I stopped him. He then replied that it was not in his best interest to explain why to me. I then asked him if he realized he was swerving all over the roadway and if there was a reason for that, and he replied there was no reason for it. I then asked him how much alcohol he had tonight, due to me smelling an odor of an unknown alcoholic beverage emanating from his breath and person. He replied that he did not want to answer my question because he should not. I then asked if he would be willing to participate in field sobriety tasks to dispel my alarm that he is under the influence of alcohol and/or a chemically controlled substance. Bradley agreed to participate in the tasks. According to Bradley, he has no physical injuries, no medical issues, and no issues with his eyes that are corrected by contact lenses or glasses.

I then guided Bradley over to a solid white line on a flat and dry surface in a well-lit area. Bradley pointed to the line and stated it was "white." I explained and demonstrated each task.

The first task was the Horizontal Gaze Nystagmus. After explaining the instructions, I asked Bradley if he had any questions. He replied "no." I then asked if he understood the task, and he replied "yes." During this task, I noticed a lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and nystagmus in both eyes prior to 45 degrees. Bradley was also swaying the entire time. I also had to remind Bradley to open his eyes and not move his head, as he would move his head during the task.

The second task was the Walk and Turn. I afforded Bradley the opportunity to participate this task with his shoes on or off, and he chose to take his shoes off. After explaining the instructions, I asked Bradley if he had any questions. He replied "no." I then asked if he understood the task, and he replied "yes." Bradley attempted to start the task before I told him to and while explaining the instructions. He could not maintain the starting position. He took an incorrect number of steps forward until he reached my patrol car, stopped to ask me if he should walk back, and then took an incorrect number of steps back until he reached his vehicle. He also did not maintain heel-to-toe.

The third task was the One Leg Stand. After explaining the instructions, I asked Bradley if he had any questions. He replied "no." I then asked if he understood the task, and he replied "yes." Bradley chose to balance on his left leg and lift his right leg. Upon telling him to start, he raised his arms up, was swaying, lost balance, and stopped before I told him to.

As I explained the next task, I asked him what his highest level of education was. He then replied that he did not want to talk to me or continue with the tasks to make himself "vulnerable". I then informed Bradley of his Taylor Warnings, to include that if he refuses to participate in the voluntary field sobriety tasks, I would be forced to make an arrest decision based on my observations up until this point, and that his refusal can be used against him in court as evidence. He then advised that it would be "silly to absolutely sacrifice his ability to understand the situation" and "ability to defend himself." I then asked him to clarify if he wanted to continue with the tasks, and he advised he wanted to, but he would not be able to. He then refused. Based on the above information, I developed probable cause to arrest Dylan Bradley for DUI. I handcuffed Bradley, checked for tightness and proper fit. Ofc. Rochetti conducted a search of his person and then placed him inside of my marked police vehicle. I conducted an inventory of the vehicle, which yielded two opened 187 mL (13 alc/vol) wine bottles in the center console. There was still some liquid in each of them. I also located a prescription bottle of Clonazepam with approximately 15 tablets inside. The Clonazepam had Bradley's name on it, and stated, "May cause drowsiness and dizziness. Careful using vehicle, vessel, machines." Photos of these were captured on my body camera, marked as evidence. I then transported Bradley to BRPD booking to obtain a breath sample. Ofc. Madotta responded to BRPD booking. Upon arrival, a 20-minute observation was conducted and then Bradley was taken into the BRPD BAT room. I requested Bradley to provide a sample of his breath for the purposes of determining the alcohol content. Bradley advised he did not understand. I then read Bradley his Florida Implied Consent Warnings, and he advised he understood. I then asked him again if he wished to provide a breath sample. He then advised he did not want to. I then read Bradley his Constitutional Warnings, and he advised he understood. He declined to answer my questions. See DUI influence report. Dylan Bradley is being charged with DUI pursuant to F.S.S. 316.193(1)(a). I issued Bradley a DUI citation (#AJVFME). I also issued Bradley a citation for running a red light, which was the reason for the traffic stop (#AJVFME). Bradley was then transported to Palm Beach County Jail without issue.
