The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☐ was found to have committed the below acts, resulting from my (described) investigation. On the <u>30th</u> day of <u>April</u> 20<u>23</u> at 2038 ☐ A.M. ☒ P.M. (Specifically include facts constituting cause for arrest.)									
On April 30th, 2023, at approximately 2026 hours I was dispatched to the intersection of Florida Mango Rd and Forest Hill Blvd in reference to a welfare check on an unresponsive gray Toyota Corolla sitting in the left turning lane of the southbound lanes of Fl Mango. Upon my arrival I observed the gray Toyota in the left turning lane past the stop bar. I drove past the Corolla in the northbound lanes of Florida Mango Rd but could not tell if it was occupied. As I drove around the rear of the vehicle, the traffic light changed from red to green. I drove my patrol vehicle around to the front of the Corolla and observed a Hispanic male asleep in the drivers seat. I activated my emergency red and blue lights and placed the push bumper of my vehicle in front of the Corolla. As I did this, Palm Beach County Fire Rescue rig 33 arrived and blew its loud air horn next to the vehicle in an attempt to wake the driver. The driver was still unresponsive. I exited my vehicle and shined my flashlight at the driver who was still unresponsive. I could hear the Corolla's engine running and observed the vehicle was in drive. Fearing there was a possible medical emergency, I pulled on the driver's door which opened. I reached into the vehicle to turn the vehicle off. While doing this I made unintentional physical contact with the driver that still did not wake him up. I could smell a strong odor of alcoholic beverages coming from the driver while I was leaning into the vehicle. The driver did not wake up until I forcefully shook his left arm. Once awake the driver appeared disoriented, I observed that his eyes were glassy and bloodshot and that his speech was slurred. Even though the engine was off, Ofc Manak and I needed to put the vehicle in park for the driver so I could fully remove the keys. The medics asked the driver to get out of the vehicle. The driver, later identified by his Florida Driver's License as Edward Garcia Moreno (E/M 10/05/71), required assistance standing up and needed to be held by the medics as well as lean against the vehicle. Garcia Moreno was then escorted to the Rescue rig to be evaluated for health issues. Ofc. Ferrer from Palm Springs police arrived to assist in translation. The medics advised Garcia Moreno said he had been drinking. Ofc. Ferrer translated and asked Garcia Moreno if he would submit to Standardized Field Sobriety Tests. Garcia Moreno advised he did not want to submit. Garcia Moreno was placed under arrest and transported to the Palm Beach County Jail BAT for testing. For the duration of the trip, Garcia Moreno attempted to speak with me in Spanish even though I advised him several times that I do not speak Spanish and I could not understand him. Upon our arrival at the BAT, Garcia Moreno was very talkative throughout the 20 minute observation period. I was advised by a staff member Garcia Moreno was apologizing profusely, advising he was not a criminal, and praying. During this time, Ofc. Roblero arrived to assist with translation. After the 20 minute observation, Garcia Moreno was escorted into the testing room and was read the request for breath to be tested. Garcia Moreno initially refused the test but agreed after being read implied consent. Garcia Moreno provided two breath samples, he needed to be corrected several times because he was not blowing into the machine properly after having been given instructions. The first sample Garcia Moreno provided was at 2249 hours and was 0.194. The second was provided at 2253 hours and was 0.197. Post Miranda, Garcia Moreno stated he was operating the vehicle when I made contact with him, Garcia Moreno stated he believed he was on I-95 and when asked his direction of travel he stated his house. Garcia Moreno stated the city he was currently located in was Pompano Beach. Garcia Moreno stated he was drinking rum and he did not know the quantity he consumed. Garcia Moreno was in actual physical control of the vehicle when I made the initial contact with him, the only thing preventing the gray Toyota Corolla from driving into the intersection was the weight of Garcia Moreno's foot on the brake. Garcia Moreno did drive or was in actual physical control of a vehicle, while under the influence of alcoholic beverages or chemical substances as set forth in Florida Statute 877.111, or a controlled substance as set forth in Chapter 893 or any combination thereof, and was affected to the extent that his or her normal faculties were impaired; or while having a blood alcohol level of .08 or more grams of alcohol per 100 milliliters of blood or breath alcohol level of .08 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1).
