PROBABLE CAUSE STATEMENT			
The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody: ☒ Committed the below acts in my presence. ☐ Confessed to [WITNESS] admitting to the below facts. ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts. ☒ Was found to have committed the below acts, resulting from my (described) investigation.			
On Friday April 10, 2026, at approximately 2348hrs I responded to a traffic stop located at Brentwood Blvd and S. Jog Rd, Lake Worth, FL 33463 in reference to a DUI investigation. Upon arrival I spoke with D/S J. Fowler #45064 that explained to me why he had stopped the vehicle and the signs of impairment that he had observed (see attached Probable Cause Affidavit) from the driver. I then made contact with the driver, W/M Edward Ross Aho (08/28/92) that was standing behind his vehicle in handcuffs. I explained to him that I was there to conduct an investigation on him possibly being impaired. Aho stated he understood. I read him his Miranda Rights and Aho stated he understood them. I had his handcuffs removed and asked him to walk towards the front of his vehicle to speak with me. Aho appeared unsteady on his feet and his eyes were glassy, watery, and red. I heard him slur some words and at times he was difficult to understand. Aho stated that he was coming from Chili's restaurant and was dropping a friend off at his home. He stated he had no medical problems and was not taking any prescription medications. He stated he had no problems with his legs, spine, back, and arms. He then stated he had some problems with his lower back. [REDACTED] He added that he was well aware of his capabilities to drive. As he was speaking, I could smell a strong odor of an unknown alcoholic beverage coming from his breath. I explained to Aho that based on the totality of my investigation and observations; and those of the deputy,			

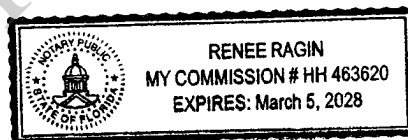

I was asking him to do the Roadside Tasks. Aho agreed to do them (see attached DUI Probable Cause Affidavit). After completing the Walk and Turn Aho became angry with something he heard a deputy say. I asked him if he was going to continue with the Roadside Tasks and he would not answer me. I explained to Aho if he refused to submit to the Roadside Tasks that I was asking him, I would be forced to conclude my investigation and determine whether or not to arrest him based on the totality of my investigation/observations, and the signs of impairment observed by the deputy. I also explained to him that his refusal could be used against him in court. He verbally stated he understood. I then asked him if he was willing to do the Roadside Tasks with that in mind, and he agreed to continue them.

When he was done, I explained to him that he was under arrest for DUI (pursuant to F.S. 316.193(1)(a)). I secured him in handcuffs which were checked for proper fit, tightness, and double locked. I then escorted him to the backseat of my patrol car with my rear facing camera engaged. After a few minutes of being in my vehicle the interior had a strong odor of an unknown alcoholic beverage.

I transported Aho to the PBSO B.A.T. and after a twenty-minute observation in which he did not take anything by mouth or regurgitate. I then requested him to submit to a lawful test of his breath for the purpose of determining the alcohol content and he would not answer me. I read him Implied Consent and explained it to him. He stated he understood and he still refused to do the breath test (he was also charged with Refusing to Provide Breath pursuant to F.S. 316.1939(1)(d)). Aho's refusal time was: 0106hrs.

Aho was later turned over to PBSO booking Deputies for booking purposes.

<i>The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:</i> ☒ Committed the below acts in my presence. ☐ Confessed to [WITNESS] admitting to the below facts. ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts. ☐ Was found to have committed the below acts, resulting from my (described) investigation. On Friday, April 10, 2026, at approximately 11:44 P.M., I, Deputy J. Fowler, was conducting surveillance in an unmarked PBSO patrol vehicle in the Home Depot parking lot located at 5750 S. Jog Road during a "car meet." While conducting surveillance, I observed a two-door white pickup truck leaving the parking lot. As the vehicle exited, I observed it slow down and break traction with its rear tires, initiating a "burnout". A "burnout" is referred to as a maneuver performed while operating a motor vehicle whereby the motor vehicle is kept stationary, or is in motion, while the wheels are spun, resulting in friction which causes the motor vehicle's tires to heat up and emit smoke The vehicle continued the burnout while traveling northbound onto S. Jog Road from the parking lot. I then conducted a traffic stop on the white pickup truck bearing Florida tag JYGA92 in the area of S. Jog Road and Brentwood Boulevard. I made contact with the driver, identified as Edward Aho, who displayed red, glossy eyes. While speaking with Edward, I detected the odor of an unknown alcoholic beverage emanating from his person, and I observed that his speech was slurred. When I informed Edward that I had observed him perform a burnout in the parking lot, he initially stated that he did not mean to do so. He later stated that he was leaving "Chili's", he didn't think about it, along with other excuses. While speaking with Edward, I observed him looking around the area in a manner consistent with attempting to locate a direction of flight. Based on these observations, along with the fact that there was another occupant within the vehicle, I placed Edward in handcuffs until additional units arrived on scene D.U.I Investigator M. Sentmanat (#24968) arrived on scene, with the scene being turned over to him. Based on the above listed facts, probable cause exists to charge the defendant with FSS 316.191(2)(a)-Racing/ stunt driving. Edward was also provided with UTC #ANA1JUE.

Other Observations:

The defendant was placed into the instructional stance for Horizontal Gaze Nystagmus. He verbally identified the red stimulus that I was holding up. He was told to follow the stimulus with his eyes only and not to move his head. I checked his eyes for equal pupil size, equal tracking, and resting nystagmus. I observed a lack of smooth pursuit in both eyes. I observed distinct and sustained nystagmus at maximum deviation in both eyes. I observed onset of nystagmus prior to 45 degrees in both eyes. He was reminded not to move his head. I did not observe any vertical nystagmus in neither eye. He swayed from side to side throughout this process.

WALK & TURN:

I explained and demonstrated the instructions for the Walk & Turn to him. He stated he understood the instructions and had no questions for me. He failed to maintain the instructional stance by separating his feet help steady himself. He swayed from side to side. He did not walk heel to toe, stepped off the line, stopped to steady himself, and made an improper turn. He used his arms to assist in balance.
