The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody... ☒ committed the below acts in my presence. ☐ confessed to _____ admitting to the below facts. ☒ was observed by OFC TRIANA _____ who told OFC BADOLATI _____ that he/she saw the arrested person commit the below acts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>1</u> day of <u>September</u>, <u>2023</u> at <u>20:37</u> (Specifically include facts constituting cause for arrest.)									
On September 1st, 2023, at approximately 2114 hours, I arrived at 5310 Donald Ross Road, within the City of Palm Beach Gardens, County of Palm Beach, State of Florida, to assist on a crash scene involving two vehicles. Body worn camera and in car video were used. I met with Officer Badolati #552 who contacted the adult defendant in this case, identified by Florida Driver's License photo, Elizabeth LAMBROS. The crash investigation was completed prior to my arrival. Officer Badolati advised me that the defendant was behind the wheel of her blue Hyundai (FL/LCFW90) and exiting the Alton Town Center when she collided with the victim in this case, _____ (VI-1). The passenger of his vehicle was the second victim in this case, _____ (VI-2). _____ was operating his silver Hyundai _____ and was entering the shopping center from Donald Ross Road. The defendant made a narrow turn, entering the victim's lane of travel, and collided head-on with the opposing vehicle. Airbags deployed in both vehicles. It is important to note that the victim driver in this case was on _____ who witnessed the defendant in actual physical control of her vehicle. Both victim's had to be transported to the hospital due to having internal injuries. Officer Badolati explained that he also observed the defendant in actual physical control at one point prior to my arrival. He told me the defendant displayed slurred speech, red, watery eyes and he could detect the odor of an unknown alcoholic beverage emanating from her breath. The defendant was read her Miranda Warnings prior to my arrival. I contacted the defendant and observed her to red, watery eyes, slurring her speech and I could detect the odor of an alcoholic beverage emanating from her breath at conversational distance. This odor increased in intensity as she spoke. She said she was coming from Lynora's, a restaurant, which is located within the same plaza. She explained she was on her way home in Jupiter, FL. She thought she was currently in Jupiter and she couldn't explain why she struck the other vehicle after entering their

lane. When asked, the defendant said she consumed one (1) Moscow Mule within the last two hours prior to driving. Based on my observations, I asked the defendant to participate in Standardized Field Sobriety Exercises, to which she complied. The defendant said she did not have any medical conditions which would affect the exercises. The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight stylus pen with an illuminated red tip. I observed the lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes and the onset of Nystagmus prior to 45 degrees in both eyes. The defendant continuously moved her head back and forth while following the stimulus, looked away from the stimulus towards me during the exercise and swayed side-to-side while balancing. I observed six out of six indicators of possible impairment. The second exercise conducted was the Walk and Turn. The line used was a delineated line engraved on the pavement this line was flat and straight. The defendant was unable to balance while listening to the instructions and broke the starting position numerous times. She also began walking prior to me telling her to begin. Once she began, she stepped off the line on step #4,7,8 and missed heel-to-toe on step #4. She took 13 steps instead of nine steps as instructed. She stopped while walking and used her arms for balance. On the return, she stepped off the line on step #4 and took a total of 15 steps forward. In total, I observed seven out of eight indicators of possible impairment. The third and final exercise conducted was the One-Leg Stand. The defendant raised her right leg for this exercise. Once she began, the defendant bent her foot behind her before again being instructed to keep her foot straight. She then raised her arms to her side and raised her foot higher than six inches as instructed. She also had to be told again to look at her foot. She swayed while balancing as well. I observed two out of four indicators of possible impairment. Based on my observations, I placed the defendant under arrest at 2131 hours. At PBSO BAT, the defendant was placed under a continuous 20-minute observation period prior to being placed on BAT video. Once on video, the defendant refused to provide a breath sample. I read her FIC and she again refused to provide a sample at 2241 hours. Based on the results of my investigation, I have probable cause to prove the adult defendant Elizabeth LAMBROS did unlawfully operate a motor on a public roadway in the State of Florida, while under the influence of an alcoholic beverage, in violation of FSS 316.193-1A. Because of the defendant's actions, both victims suffered injuries requiring hospital transport and their vehicle was damaged with airbag deployments and required to be removed by tow rotation. These actions constitute three (3) separate counts of DUI with Damage to Property or Persons, in violation of FSS 316.193-3C1.
