PROBABLE CAUSE STATEMENT						
The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody: ☐ Committed the below acts in my presence. ☐ Confessed to [WITNESS] admitting to the below facts. ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts. ☒ Was found to have committed the below acts, resulting from my (described) investigation. On May 21, 2026, at approximately 1045 hours, I responded to [REDACTED] for a domestic disturbance. I made contact with Paul Karmas who told me he caught his wife cheating on him and left the house as they will be getting a divorce. He stated he came back after a few days to talk to his wife, Elizabeth Karmas and confronted her about the cheating. He said that they got into a heated argument and he did question her and got close to her and that she pushed him forcefully by placing her hand on his face. He said that because she pushed him on his face, he knocked her hand off of his face with his hand which caused her arm to swing to the side, and she hit her wrist on a bathroom cabinet. He said there was a small struggle. He said that he grabbed a hair drier that was in the bathroom as he believed she would throw it at him. I did see a fresh scratch by his clavicle area that appeared to be from the struggle. I made contact with Elizabeth Karmas who said she needed to be protected but initially refused to cooperate and did not give us a full statement. She said that she needed to leave and was not very cooperative. I was eventually able to get her to tell me some of the story and she stated Paul Karmas came in questioning her about cheating and they got into an argument and that Paul Karmas attacked her in the bathroom and pushed her causing her to hit her wrist. [REDACTED] She did have a bruise on her left wrist. Elizabeth Karmas did show me a video of the living room where both are in a heated argument. Both are still married and have children in common which makes this a domestic violence incident with injuries. Both refused medical attention.
