NARRATIVE: The undersigned has probable cause to believe the above-named defendant on the, 21 of March 2025 at 11:29 at US HWY 17-92 & SR 414 (Zone: 1) in Orange County did

On March 21st, 2025, at approximately 2329 hours, I was conducting stationary radar in the area of US HWY 17-92 and State Road 414, within the city limits of Maitland, Florida. I observed a white Dodge SUV, bearing Florida License Plate 9418VM traveling, southbound on US HWY 17-92 above the posted speed limit. I visually estimated the vehicle to be traveling 70mph in a 45mph posted speed limit. I utilized my STALKER II radar (AS020181) which provided a digital reading of 70mph while giving a clear and consistent doppler tone. When catching up to the vehicle, I observed the vehicle leave its lane of travel several times. I activated my emergency lights and sirens. The vehicle came to a stop in the parking lot of 341 North Orlando Avenue.

?I approached the vehicle and observed the Defendant (D1) sitting in the driver's seat. At that time, I introduced myself and explained the reasons for the stop.? I asked D1 for her driver's license, registration and insurance. D1 appeared to be confused and unaware where her wallet and registration was. It should be noted, shortly after approaching the vehicle, D1 began to start chewing gum. During this time, I asked D1 where he was coming from, and she ignored my question and continued to keep looking through the bags. At that time, I observed a knife by her hip and brass knuckles by the center console. When shining my light into the vehicle, D1 became defensive and demanded for me to not look inside her bag with my flashlight. D1 then turned her body away from me in an attempt to conceal her bag. I asked D1 to step out of the vehicle for officer safety due to the access to weapons. D1 refused these orders. I asked D1 several more times to step out in which she refused. I attempted to reach into the vehicle to unlock the door but was unsuccessful. Once Officer Rosa arrived on scene, we tactically parked both patrol cars to keep her from attempting to leave. I again informed D1 to exit the vehicle. D1 refused but did unlock the door. Once the door was opened, I removed D1's seatbelt and she exited the vehicle. I secured D1 in handcuffs at that time.

When talking with D1 through the back driver side window, I smelled a strong odor of alcoholic impurities emanating from the vehicle. I also observed D1 to have slow/slurred speech, glassy/bloodshot eyes, and slow/ sluggish body movements.

Once I removed D1 from the vehicle, I smelled a strong odor of alcoholic impurities emanating off her person which grew stronger as she spoke. D1 was verbally aggressive with officers during that time and had to be instructed several times with simple tasks.

?

It should be noted D1's wallet was discovered inside her purse which she looked into several times.

Due to D1's demeanor, lack of cooperation and officer safety, it was determined she would not have handcuffs removed for Field Sobriety Exercises.

At that time, I placed D1 under arrest for Driving Under the Influence, resisting arrest without violence. I searched D1 for contraband and transported him to the Orange County DUI Center.

When transporting D1, I could smell a strong odor of alcoholic impurities emanating in my patrol car which was not there prior to D1 being secured inside. D1 continued to be verbally aggressive towards me.

D1 stated she took a breathalyzer before leaving work "Racheal's" and she did not blow over the legal limit. It should be noted she told me prior she did not drink.

?

At the Orange County DUI Center, I read D1 implied consent at approximately 0037 hours for a breath test in which she refused. D1 had a prior refusal to submit to lawful breath, urine or blood in May of 2017 in Bay County, Florida.

D1 WAS ISSUED A CITATION FOR PRIOR REFUSAL TO SUBMIT BREATH, URINE OR BLOOD (AL2VQFE)

?

I transported D1 to the Orange County Jail without incident and issued a DUI citation (AJCRB9E).

An inventory search of the vehicle was completed and a handgun along with brass knuckles and knives were located inside. The handgun was found behind the driver seat in a pocket attached to the seat.

D1's vehicle was towed by Tri County Towing to 6636 All American Boulevard, Orlando, Florida.

At that time, I did not have my department issued body camera due to the camera being docked at the Maitland Police Department.
