When I reached Jog Rd, I observed a Gray BMW (FL: 77ABVB) stopped in the left lane, which continued westbound while the traffic light was green. The light turned red, it turned green again, and the vehicle turned left on Jog Rd from the westbound travel lane. While on Jog Rd, the vehicle entered the Winn Dixie Plaza and immediately made an abrupt U-Turn. Then the vehicle turned right, heading Southbound on Jog Rd. I did a traffic stop on this vehicle and met the driver, later identified as Elizabeth Kennedy. I asked her about her driving behavior, and she just apologized. I asked where she was heading, and she stated that she was going home. I asked her where does she live, and she responded that she lives by Lantana Rd and Military Trail. I told her that she was going in the opposite way of her house. I asked for her driver's license, vehicle registration, and Insurance. She provided me with her driver's License, the vehicle registration only. I asked for her Insurance card; she provided me with a form with phone numbers. In my interaction with her, I observed that Kennedy had glassy eyes, and her speech was slurred.

ON THE 10TH DAY OF APRIL 20 23 AT 23:20 AM PM
SUBJECT: KENNEDY, ELIZABETH, WATERS CASE NUMBER: 23056032

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: INV. A. SENTMANAT

PERSONAL CONTACT

DRIVING PATTERN: Actual physical control (physical evidence or statements putting def. behind wheel of vehicle)

On April 10, 2023 at approximately 2334hrs I responded to S. Jog Road and Lake Charleston Road, Lantana, FL 33467 in reference to a D.U.I. investigation on a possible impaired driver. Upon arrival I made contact with D/S Ortiz #35718 and he stated the following: On Monday, April 4, 2023, at approximately 23:51 hours, I was driving westbound on Hypoluxo Road, Lake Worth, Palm Beach County, FL 33463. When I reached Jog Rd, I observed a Gray BMW (FL: 77ABVB) stopped in the left lane, which continued westbound while the traffic light was green. The light turned red, it turned green again, and the vehicle turned left on Jog Rd from the westbound travel lane. While on Jog Rd, the vehicle entered the Winn Dixie Plaza and immediately made an abrupt U-Turn. Then the vehicle turned right, heading Southbound on Jog Rd. I did a traffic stop on this vehicle and met the driver, later identified as Elizabeth Kennedy. I asked her about her driving behavior, and she just apologized. I asked where she was heading, and she stated that she was going home. I asked her where does she live, and she responded that she lives by Lantana Rd and Military Trail. I told her that she was going in the opposite way of her house. I asked for her driver's license, vehicle registration, and Insurance. She provided me with her driver's License, the vehicle registration only. I asked for her Insurance card; she provided me with a form with phone numbers. In my interaction with her, I observed that Kennedy had glassy eyes, and her speech was slurred.

OBSERVATION OF DRIVER:

Upon making contact with the defendant who was seated in the driver seat of her vehicle. I immediately smelled an obvious odor of an unknown alcoholic beverage coming from within the vehicle. I observed the defendant's eyes to be glassy, watery, and red. I also observed the defendant to have a slow and slurred speech. The defendant had a pale and flushed face. The defendant was also lethargic. The defendant was asked to step out of her vehicle and speak with me in front of my patrol car, as she stepped out of her car she staggered to the side and had an unstable balance. I also observed the defendant to have a sway as she stood normally without walking. She appeared disheveled and what appeared to be dry vomit on the front of her blouse. When I asked her to step out of her vehicle I asked her to turn off the engine and her lights. She said that the engine was off (it was not), and she tried to turn off the lights. She then turned off the engine and then turned the engine back on and turned on the lights. While standing in front of me she would sway from side to side.

DRIVER'S STATEMENTS:

The defendant stated she has no physical defects or injuries. She stated she had a medical condition (depression). She stated she was taking a prescribed medication (Zoloft 200mg). She stated she was lost trying to get home because she did not have her phone (she had been living at the address for little over a year). She was lost because she had gone to Publix to buy a sandwich and a bag of chips. She did not know where she was. She stated that she did not have anything to drink but had taking her Zoloft. She explained that she had not taking Zoloft for at least a week and when she takes it, it makes her kind of confused.

ODORS:

An obvious odor of an unknown alcoholic beverage coming from her breath which intensified as she spoke with me.

GENERAL OBSERVATIONS

SPEECH: Slow, slurred, and would repeat the same question over and over again.

ATTITUDE: Cooperative.

CLOTHING: Gray pants, black blouse, and black sandals.

MEDICAL/OTHER: Zoloft 200mg

Other Observations:

The defendant was placed into the instructional stance for Horizontal Gaze Nystagmus. She verbally identified the red stimulus that I was holding up. She was told to follow the stimulus with her eyes only and not to move her head. I checked her eyes for equal pupil size, equal tracking, and resting nystagmus. I observed a lack of smooth pursuit in both eyes. I observed distinct and sustained nystagmus at maximum deviation in both eyes. I observed onset of nystagmus prior to 45 degrees in both eyes. She was reminded several times not to move her head. I did not observe any vertical nystagmus in neither eye. She swayed from side to side throughout this process.

WALK & TURN:

I explained and demonstrated the instructions for the Walk & Turn to her. She stated she understood the instructions and had no questions for me. She failed to maintain the instructional stance by separating her feet to help steady herself. She swayed from side to side. She did not walk heel to toe, stepped off the line, stopped to steady herself, took less than nine steps, did not count the steps out loud, and used her arms to assist in balance. After attempting five steps she stopped and said she could not do the task. She said that she was very nervous and that it was very windy. At the start of the task I asked if she wanted to remove her sandals and she did. When she was done it took her several attempts to put her sandals back on. She would stumble backwards or to the sides.

ONE LEG STAND:

I explained and demonstrated the instructions for the One Leg Stand to her. She stated she understood the instructions and had no questions for me. She failed to maintain the instructional stance by separating her feet to help steady herself. She swayed from side to side. She lowered the foot several time, did not count out loud, and did not look down at her foot. She also used her arms to steady herself and hopped at one point.

FINGER TO NOSE:

I explained and demonstrated the instructions for the Finger to Nose task to her. She stated she understood the instructions and had no questions for me. She failed to maintain the instructional stance by separating her feet to help steady herself. She missed all attempts with both the right and left hand. She used the pad of his fingers, touched under the nose, to the side of the nose, or the bridge of the nose. I had to remind her several times to drop the hand the moment she touches the tip of the nose.

ROMBERG ALPHABET:

I explained and demonstrated the instructions for the Rhomberg Alphabet task to her. She stated she understood the instructions and had no questions for me. She failed to maintain the instructional stance by separating her feet to help steady herself. She swayed from side to side.
