	The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody ... ☐ committed the below acts in my presence. ☐ confessed to _____ admitting to the below facts. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the 11 day of October, 2025 at 20:23 (Specifically include facts constituting cause for arrest.) On 10/11/2025 at approximately 1956 hours, I responded to the area of 500 NW Spanish River Blvd as a backup officer to Ofc. Stephenson's traffic stop. Upon arrival, I met with Ofc. Stephenson, who advised he conducted a traffic stop on a red Mazda sedan bearing FL Z151QU after observing it run a red light at NW 2nd Ave and Spanish River Blvd. He then made contact with the driver and sole occupant of the vehicle, identified by his FL DL to be Ellis Temlak. Ofc. Stephenson advised he observed the driver to have glossy eyes, slurred speech, and a strong odor of an unknown alcoholic beverage emanating from his breath and person. I then made contact with the driver, who was still sitting in the driver's seat, and knocked on his window to have him roll his window down. He then proceeded to turn his vehicle on, so I opened his door and asked him to step outside of his vehicle. He then willingly stepped outside of the vehicle. I then asked him what happened. According to Temlak, he was coming from Boca and heading to his residence in Greenacres. He advised he was coming from the FAU tailgate party and was heading to his residence but did not know what his residence was. While speaking with him, I observed him to have bloodshot glossy eyes, his speech was slurred, his responses were delayed, and I could smell a strong odor of an unknown alcoholic beverage emanating from his breath and person. I asked him how much he had to drink tonight, and he replied, "not that much." I then asked him how much "not that much" was, and he then began to talk about his vehicle. I asked him again, and he then said he wanted a lawyer. He advised it was approximately 2300 hours, and we were currently in Boca Raton near Glades Rd. Temlak advised he did not have any medical issues, no physical injuries, does not take any prescription medications, and does not have diabetes. I then asked him if he would be willing to participate in voluntary field sobriety tasks to dispel my alarm that he is under the influence of alcohol and/or a chemically controlled substance. Temlak then advised again that he would like a lawyer. I advised him that the

voluntary field sobriety tasks were voluntary, and he is not forced to do them, however, they are his opportunity to dispel my alarm that he is under the influence. I then informed Temlak of his Taylor Warnings, to include that if he refuses to participate in the voluntary field sobriety tasks, I will be forced to make a decision on whether or not I think he is impaired based on my observations so far, and his refusal to participate in the tasks can be used against him in court as evidence. Temlak advised again he wanted a lawyer. He further advised that he can just park his car on the side. I then informed him of his Taylor Warnings again, and he advised he that understood. He then agreed to participate in the voluntary field sobriety tasks. The first task was the Horizontal Gaze Nystagmus. I explained the instructions, and Temlak advised he understood. Temlak advised he was wearing contact lenses and could see me without issue. I observed equal pupil size in both eyes. During this task, I observed Temlak had lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and nystagmus prior to 45 degrees in both eyes. I had to remind Temlak to keep his head straight. He was swaying during the task. The next task was Walk and Turn. I then walked Temlak over to a straight line found on the roadway on a flat and dry surface in a well-lit area. Temlak agreed the line was straight. I afforded Temlak the opportunity to participate in this task with his shoes on or off, and he chose to keep them on. I explained and demonstrated the task. During this task, he did not maintain heel-to-toe, he turned improperly, started with the incorrect foot back, raised his arms up to balance, and he stepped off the line multiple times. I explained and demonstrated the One Leg Stand. Temlak advised he understood the instructions and did not have any questions. During this task, he raised his arms up to balance, he put his foot down multiple times, he was swaying, he counted incorrectly, and he lost his balance. The next task was the Finger to Nose (L-R-L-R-R-L). Temlak advised his highest level of education is a high school diploma and four years of college credits. I explained and demonstrated the task. Temlak advised he understood and did not have any questions. During this task, he touched the tip of his nose with his index fingers but not the tip of the index fingers like I demonstrated to him. On his third right, he started using his left hand then switched to his right hand. The next task was the Rhomberg Alphabet. I explained to Temlak that I wanted him to recite the English alphabet from A-Z without skipping any letters and without singing it. Temlak advised he understood the instructions and did not have any questions. He recited the alphabet incorrectly as such, "A,B,C,D,E,F,G,H,I,J,K,L,M,N,O,P,Q,R,S,T,Y,V,W,X,Y,Z."

The final task was the Rhomberg Balance (estimate 30 sequence). I explained the instructions, and Temlak advised he understood and did not have any questions. On his first attempt, he estimated 30 seconds in 39 seconds, however, he counted out loud against my instructions. When I reminded him to count in his head only, he then estimated 30 seconds in 44 seconds. Based on my observations and his performance on the tasks, I developed probable cause to arrest Ellis Temlak for DUI pursuant to F.S.S. 316.193(1)(a). Ofc. Leonard handcuffed Temlak, checked for tightness and proper fit. Ofc. Leonard conducted a search of his person and placed him into my marked patrol vehicle. Ofc. Leonard and I then transported Temlak to BRPD booking to obtain a breath sample. Ofc. Ramunni responded to BRPD booking. Upon arrival, a 20-minute observation was conducted and then Temlak was taken into the BRPD BAT room. It should be noted that Temlak was being extremely belligerent by calling us officers "faggots," and making statements in the BRPD BAT room to include, "You have the right to go fuck yourself" while yelling over us. I requested Temlak to provide a sample of his breath for the purposes of determining the alcohol content. Temlak advised he did not want to provide a breath sample. I then read Temlak his Florida Implied Consent Warnings. As I read them to him, he continued to yell and be belligerent. I continued to read his Implied Consent Warnings. Temlak was asked if he understood the Implied Consent Warnings, and Temlak replied he did understand. I then asked him again if he wished to provide a breath sample, and he again refused. It was then taken as a refusal. I then read Temlak his Constitutional Warnings, he Temlak continued to yell over me. No questions were asked. See DUI influence report. Ellis Temlak is being charged with DUI pursuant to F.S.S. 316.193(1)(a). Temlak is additionally being charged with refusing to provide a breath sample pursuant to F.S.S. 316.1939(1)(d). Ofc. Stephenson issued Temlak a citation for running the red light, which was the reason for the traffic stop (#AJVKMQE). I issued Temlak a DUI citation (#AJVKMSE). Temlak was then transported to Palm Beach County Jail without issue.

issued citation # A5VKMSE

That on or about the 11 day of OCTOBER, 20 25, at 2024 ☒ P.M. ☐ A.M.
in Palm Beach County,

I requested that the driver submit to a **BREATH** test for the purpose of determining its alcohol content. I informed the driver that the refusal to submit to such test would result in the suspension of his or her driving privilege for a period of one (1) year for a first refusal, and that he or she commits a misdemeanor of the second degree by so refusing. Additionally, I informed the driver that the refusal to submit to such test would result in the suspension of his or her driving privilege for a period of eighteen (18) months if his or her driving privilege had been previously suspended, or if he or she had been previously fined under s. 327.35215, F.S., for refusing to submit to a breath, urine, or blood test, and that he or she commits a misdemeanor of the first degree by so refusing. Nonetheless, the driver refused to submit to the test requested.
