	The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody... ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the 23 day of July, 2023 at 00:57 (Specifically include facts constituting cause for arrest.) On 07/23/2023 at approximately 0057 hours, this Officer was conducting a traffic stop at the intersection of Alt A1A and Donald Ross Rd, PBG, FL, when this Officer's attention was drawn to the intersection in regard to a vehicle stopped in the intersection. Body worn camera and in car video were used. The vehicle, a Toyota Camry (BV45ZI/FL) had slammed on its breaks to stop at a red light, while south bound on Alt A1A approaching Donald Ross Rd. The vehicle had stopped so suddenly, this Officer observed white smoke coming from the tires. The vehicle ended up across what appeared to be the middle and inside through lanes of west bound Donald Ross Rd. The vehicle then reversed back to the stop bar. Given that this infraction occurred in Jupiter Police jurisdiction, this Officer took no immediate action. This Officer concluded the previous traffic stop and observed the Camry continue south bound on a green light. This Officer conducted a U-turn and observed the Camry's driving pattern as it continued into Palm Beach Gardens. This Officer observed the Camry rapidly accelerate to a speed which was visually estimated to be approximately 75 MPH in a posted 50 MPH zone. Using RADAR Stalker DSR2X (DB001317), front antenna (KC086606) this Officer received a steady tone and reading of 74 MPH. The RADAR calibration was last checked on 05/24/2023 and was due on 11/24/2023. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. The speed of the vehicle continued increasing, topping out at 85 MPH in the posted 50 MPH zone now in the outside through lane. This Officer watched as the vehicle rapidly encroached upon the rear of a large van. The vehicle passed the van rapidly and ended up back in the outside lane, where it drove half off the roadway on its passenger side. The vehicle then came back onto the roadway and drifted halfway into the middle through lane. The vehicle again went off the roadway on

the passenger side and again overcorrected into the outside through lane. The vehicle was being driven with an obvious willful or wanton disregard for the safety of persons or property and this Officer felt compelled to take immediate action to ensure the safety of the occupant(s) and other motorists. This Officer activated overhead red and blue lights and audible siren to get the attention of the driver to slow and pull over. The vehicle came to a complete stop in the right-hand turn lane of Alt A1A just north of Hood Rd. This Officer made contact with the driver and sole occupant, identified via Florida Driver License photo, Emily Rose (OF), while she was still in actual physical control of same. Rose displayed obvious indicators of impairment, including: glassy watery eyes, flushed red face, slurred speech and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. While looking for her paperwork, Rose would forget what she was looking for and appeared to have difficulty dividing attention. Rose would stop what she was doing, at times, when spoke to. Rose provided this Officer with her registration and not insurance, despite her insurance being the next document in the folder she was holding. When asked where she was coming from, she replied "Johnny Mangos". Rose admitted to drinking "a little bit" and said she was on her way home. This Officer expressed concerns to Rose of her driving under the influence and asked her to participate in Standardized Field Sobriety Exercises, to which she complied. Upon attempting to exit, Rose lost her balance and fell into the B pillar of her vehicle. Once out of the vehicle she was very uneasy on her feet and had to place her hand onto the side of her vehicle. Rose said she did not have any medical conditions which would affect the exercises performed. The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Rose had a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Rose also had the onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in both eyes. During the second pass of Vertical, Rose lost her balance and stumbled backward. Rose was also swaying throughout the exercise. The second exercise conducted, was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Rose had difficulty getting into and remaining in the starting position. Rose lost her balance and stepped out of the starting position multiple times. During the first set of steps, Rose stepped off the line on first step. Rose then paused to regain balance and missed heel-to-toe on step two. Step three and four, she missed heel-to-toe and the line. Step five she stumbled off the line then waved her arms around. Step seven she crossed over and missed the line completely. Step nine she missed heel-to-toe. Step 14 she

crossed over, missed the line and fell off. Rose then approached this Officer and indicated she was done. This Officer advised Rose of her Taylor Warnings twice to which she acknowledged and refused. Rose was immediately placed under arrest at 0110 hours. At PBSO BAT this Officer requested Rose provide a breath sample for the purpose of determining its alcohol content, to which she consented. At 0210 hours she blew .274 and at 0213 hours she blew .262. Rose does have a prior DUI arrest in Tennessee dated 04/09/2017. Based on the results of the investigation, this Officer has probable cause to charge Emily Rose with driving under the influence, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). The degree to which she was impaired by alcohol, was in violation of FSS 316.193(4). Lastly Rose operated a motor vehicle with a willful or wanton disregard for the safety of others, in violation of FSS 316.192(1)(A).
