	The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody... ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>4</u> day of <u>July</u>, <u>2025</u> at <u>19:23</u> (Specifically include facts constituting cause for arrest.) On 07/04/2025 at approximately 1923 hours, this Officer arrived in the area of 9999 N Military Trl, PBG, FL, to assist Ofc Smith 489 with a traffic stop. Body worn camera was used. Ofc Smith stated he observed the vehicle, a Kia Sportage (NVFG44/FL) fail to stop at a clearly posted stop sign from Plant Dr onto Holly Dr. Ofc Smith further observed the vehicle traveling 40 MPH in a posted 25 MPH zone west bound on Holly Dr. Lastly, Ofc Smith observed the vehicle stop beyond the stop bar on Holly Dr at the intersection for N Military Trl. Ofc Smith stopped the vehicle at the above location. Ofc Smith expressed concern to this Officer about the driver being possibly under the influence. This Officer approached the driver window and made contact with the sole occupant, later identified via Florida Driver License photo on DAVID, Eric Hirsch (OF), while he was still in actual physical control of same. Hirsch claimed he was coming from his house and that he was on his way to get his daughter on Northlake near 140th. This Officer asked Hirsch how he was feeling to which he replied fine, then said he did not want to argue and would take it to court. While speaking with Hirsch this Officer observed Hirsch to have glassy watery eyes, low droopy eyelids, thick slurred speech, and the strong obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. Based on this Officer's observations, this Officer asked Hirsch how much he had to drink, to which he replied nothing and claimed to smell like fish from cooking. Further, based on this Officer's observations, this Officer expressed concern to Hirsch about him being under the influence and asked Hirsch to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which he complied. Hirsch said he did have a medical condition which would affect his balance, thus seated exercises were implemented. All exercises besides the final exercise, were conducted while Hirsch was

Hirsch had a lack of smooth pursuit in both eyes, however, stopped properly following instructions. Hirsch stopped following the stimulus and looked at this Officer. Hirsch was told to continue following the stimulus to which he acknowledged but did not follow. The exercise was ended due to lack of participation. The second exercise conducted was the Finger to Nose. The following was observed during the exercise: When told to begin, Hirsch began bringing his finger to his nose without any commands. During all six commands, Hirsch touched the side of his nose. The third exercise conducted was the Palm Pat. During the exercise Hirsch conducted an improper pat by way of "opening the book". This is done by rotating the top hand to the side, rather than touching the back of the hand to the other palm, which Hirsch did multiple times. Hirsch started the exercise quickly, but was told to increase speed. The fourth exercise conducted was the Hand Coordination. Hirsch started the exercise at least two times prior to being told to do so. Task 1, Hirsch rolled his hands in place rather than moving them in a step-like fashion away from his body. Task 2, Hirsch did not return his fists to the instructed position. Task 3, Hirsch again rolled his fists in place and did not return his left fist to his chest as instructed. The final exercise conducted was the Rhomberg Alphabet which was conducted while Hirsch was standing upright. Hirsch recited the alphabet A through I, then Q. Hirsch paused and recited T, U, V, S, Q, V. Hirsch then claimed to only be able to sing the alphabet to which he sang it quickly, jumbled letters and did not fully correctly recite same. Based on this Officer's observations, Hirsch was placed under arrest at 1937 hours. During the tow inventory Ofc Smith located a clear solo cup, containing a brown liquid, in the center console. Ofc Smith said he could smell the odor of an unknown alcohol emanating from the cup and when he poured it out, the smell grew stronger. At PBSO BAT this Officer conducted a 20 minute observation period noting no issues. This Officer requested Hirsch provide a breath sample for the purpose of determining its alcohol content, to which he refused. This Officer read Florida Implied Consent to Hirsch to which he acknowledged then began to argue about being set up and donating toys. Hirsch then requested a lawyer to which this Officer said was not possible at the moment. Hirsch attempted to go on a further rant, which this Officer shut down and asked him if he was going to consent. Hirsch refused to provide a breath sample at 2028 hours.
