The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
The defendant was observed operating a vessel on the Hillsborough River in the Seddon Channel. The listed defendant was in actual physical control of a vessel (FL4103TN) upon the waters of this state, in Hillsborough County, Florida while under the influence of an alcoholic beverage; to wit: his normal faculties were impaired.

The defendant was observed on plane in a slow speed zone. I contacted the defendant during the vessel stop. He had left the vessel in forward gear while alongside his vessel. During a vessel safety inspection, I noticed a can of hard seltzer in the console, which he later stated he consumed "two". I observed the defendant move slowly and took note that he spoke with slow, slurred speech. Additionally, his eyes were blood-shot. The defendant showed complications producing the requested safety items. The defendant had a strong, distinct odor of an alcoholic beverage, which emitted from his breath as he spoke.

Defendant was requested to submit to Standardized Field Sobriety Tasks, to which he had complied and performed poorly. The defendant was placed under arrest for listed charge. The defendant was cooperative throughout the investigation; however, he refused to submit to a lawful test of his breath to determine its alcohol content.

Citation Number: V778897, V787828
Reason for STOP: Violation of Slow Speed Zone
SFST's: Performed Poorly
