☒ Marsy's Law CVI FL Const. Art.1 § 16(b)									
This is a supplemental Probable Cause Affidavit in reference to PBSO Case number 23105333.									
On August 31st, 2023 at approximately 1210 hours I was dispatched to a vehicle crash that occurred at Okeechobee Blvd. and the Florida Turnpike, in unincorporated West Palm Beach.									
Upon my arrival I observed a white Jeep with Florida License Plate GTGK94, facing East in the number one East Bound lane of travel, stopped behind a gray Toyota Corolla with Florida License Plate Y53CIJ. Immediately upon arriving on scene I observed the white Jeep had front end damage and the gray Toyota had rear end damage. The driver of the gray Toyota, later identified as Evelyn Mayas W/F 8/31/57, flagged me down and stated the driver of the white Jeep was drunk. At that time, the driver of the white Jeep, later identified by his Florida Driver's License as Folker Krebs W/M 6/11/65, began driving his vehicle, driving East and almost striking the gray Toyota in front of him. Krebs was instructed to stop the vehicle and to remove the keys.									
While making contact with Krebs through his front driver side window, I immediately observed the strong odor of an unidentified alcoholic beverage emitting from his breath which intensified as he spoke. I observed that his speech was slurred, low, thick, and at times difficult to understand. I observed that he had a stain over his groin area that appeared to be urine, and his eyes were glossy. When I asked Krebs what had occurred he stated he struck the other vehicle. I asked if he was drinking to which he stated he was.									
I instructed Krebs to remove the key from his vehicle, so that he was no longer a threat of crashing into the other vehicles on the roadway, to which he responded by searching through his vehicle. He then responded by opening the driver door, which struck me, and stumbling as he exited, later discovering the vehicle key in his pocket. At this time I instructed Krebs to wait in his vehicle and requested the assistance of a traffic assigned unit to respond. I later turned this investigation over to D/S Schaefer, and informed him that I witnessed Krebs physically driving the vehicle upon my first contact with him, and later obtained a sworn recorded statement from Evelyn confirming that Krebs was the person driving the white Jeep when it struck her. Evelyn also stated during her statement that she observed Krebs stumbling as he exited his vehicle and immediately observed that he was impaired. This ends my involvement in this case.

D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 31st DAY OF AUGUST 20 23, AT 11:55 AM PM

SUBJECT: KREBS, FOLKER, HARALD CASE NUMBER: 23-105333

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: D/S J. SCHAEFER

PERSONAL CONTACT

DRIVING PATTERN: Actual physical control (physical evidence or statements putting def. behind wheel of vehicle)

On 08/31/2023 at approximately 12:20hrs, I was dispatched to the scene of a motor vehicle crash without injuries near the intersection of Okeechobee Blvd eastbound and the Turnpike entrance, which is located unincorporated Palm Beach County, Florida. I arrived at the scene at approximately 12:21hrs. After my independent crash investigation, based on physical evidence, and witness statements, I determined that, at approximately 11:55hrs, the defendant, "FOLKER HARALD KREBS", did indeed rear end V2 which was stopped in the inside travel lane. (See PBSO crash case #23-105333) D/S Dalton Booras #27529 relayed to me that Krebs had articulable indicators of impairment, so he called for a Traffic Unit to conduct a possible DUI investigation. D/S Dalton Booras provided me with a written sworn supplemental Probable Cause Affidavit.

OBSERVATION OF DRIVER:

Upon making contact with the driver who was identified by his Florida driver license as "FOLKER HARALD KREBS", I immediately detected a very obvious and extremely strong odor of an unknown alcoholic beverage emanated from his person and face area. This odor intensified as I spoke to Krebs. Krebs had glassy eyes. Krebs' speech was slurred, thick, and at times extremely difficult to understand. Krebs' movements were slow and deliberate, and with poor coordination. Krebs balance was nonexistent as I had to steady him against his vehicle so as he would not fall over. Krebs had difficulty following directions given to him. Krebs was wearing a black t-shirt, khaki shorts, and gray sneakers. All the clothing appeared disheveled with his shorts being soiled with urine.

DRIVER'S STATEMENTS:

Pre-Miranda: Krebs stated he didn't mean to strike the woman's vehicle. Krebs consented to provide a breath sample.

Post Miranda Krebs admitted that he was driving after having drinking "Black Label Whiskey and was involved in an accident.

ODORS:

A very obvious and extremely strong odor of an unknown alcoholic beverage emanated from his person and face area. This odor intensified as I spoke to Krebs.

GENERAL OBSERVATIONS

SPEECH: slurred, thick, and at times extremely difficult to understand

ATTITUDE: talkative, polite, friendly, cooperative

CLOTHING: black t-shirt, khaki shorts, and gray sneakers

MEDICAL/OTHER: see BAT report
