P R O B A B L E	<p>On 01/11/2025, at approximately 23:50 hours, while on routine patrol in the area of US Highway 1 and Tierra Lane, Jupiter FL. I was driving in my marked Jupiter Police vehicle, when I observed a red Sports Utility Vehicle (SUV) (FL Tag 24EDNF) parked in the roadway facing northbound. The vehicle was parked in the left-turning lane and was partially obstructing the #1 lane. With attention to this, I was concerned that the vehicle would potentially be struck by another vehicle. I proceeded to park my patrol vehicle behind the SUV and attempted to make contact with the driver. As I exited my patrol vehicle, I was approached by a male, later identified by name and confirmed through F/NCIC as Tyler G. Stone (W/M 09/24/1998), who advised that the driver of the SUV had struck his car. He further advised that they intended to exchange information and did not wish to file a traffic crash report. Stone's vehicle was parked in front of the red SUV.</p>								
	<p>I proceeded to make contact with the driver and sole-occupant of the SUV, later identified by FL DL and confirmed through F/NCIC as Gabrielle S Lotfi (W/F 03/22/2007), who was seated in the front driver seat of the vehicle. Lotfi asked if I could help her locate her vehicle registration. I asked her what had happened, to which she responded that she had struck Stone's vehicle on accident. She further explained that she "was just stopping and did not realize how fast he was stopping." I asked Lotfi where she was driving too. She stated that she was trying to drive to Jupiter. I asked Lotfi where we were currently located. Lotfi stated that she was currently located in Wellington, FL. It is important to note that Wellington, FL is approximately 27 miles from Jupiter, FL. Lotfi stated that she had left her residence in Palm Beach gardens and was trying to return home. She later explained she left her house to pick up a friend in Wellington. Lotfi was ultimately unable to clearly articulate where she was going or where she was currently located. While speaking with Lotfi, her speech was extremely slurred and her eyes were glossy. I also observed an open can of hard seltzer beverage in the driver side door cupholder.</p>

Name Last, First, Middle: LOTFI, GABRIELLE SKYE		Race: W		Sex: F		Date of Birth: 03/22/2007	
<p>I asked Lotfi if she had consumed any alcohol tonight, which she denied.</p> <p>Lotfi had difficulty providing her vehicle registration. She stated the vehicle belonged to her sister, but she drove the vehicle as well. After attempting to locate her registration and sorting through a stack of paper that she had on her lap, Lotfi was ultimately unable to locate the paperwork. She stated that she has only been stopped by law enforcement once prior. I was later able to locate Lotfi's vehicle registration, which was the first paper on top of the stack.</p> <p>After completing the crash investigation, I requested Lotfi step out of the vehicle. Lotfi was unsteady on her feet while walking. I explained to Lotfi that I was no longer conducting a crash investigation and was "switching hats" to conduct a DUI investigation. I expressed to Lotfi that I was concerned about her ability to be driving and asked if she would be willing to participate in the standardized field sobriety tasks, to which she agreed.</p> <p>The first task was the Horizontal Gaze Nystagmus. Lotfi stated that she does not wear glasses, but does wear contacts. I instructed Lotfi to stand with her feet together, hands at her side, and to remain in this position. I advised Lotfi to follow the stimulus, which I specified was the tip of my pen and tapped it with my index finger. Lotfi was instructed to follow the tip of the pen with her eyes only and to not move her head. Lotfi's pupils were equal in size. While following the pen, Lotfi's eyes equally tracked. Lotfi had lack of smooth pursuit in both eyes. Lotfi also had distinct and sustained nystagmus at maximum deviation in both her left and right eyes. Lotfi did not have onset of nystagmus prior to 45 degrees.</p> <p>The second task was the walk and turn. For this task, I utilized the painted solid line in the roadway. I asked Lotfi if she agreed that line was straight. She proceeded to walk down the line, despite not being instructed to do so. After being instructed to not begin walking, Lotfi verbally confirmed that she believed that the line was straight. Lotfi had difficulty remaining in the starting position. She moved her feet from the starting position and visibly swayed. Lotfi attempted to start walking prior to being told the directions. Lotfi did not count aloud while walking. She missed heel to toe on the 1st, 3rd, 5th, 8th, and 9th step. After turning and proceeding back down the line, she missed heel to toe on the 1st, 2nd, 4th, 5th, and 7th step.</p> <p>I then provided the instructions and demonstrated the One Leg Stand. Lotfi hopped during the task and eventually put her foot down and proceeded to lift it back up. Lotfi re-started the task multiple times, but stated she could not stand because of the strong wind. I provided Lotfi a chance to complete the task again. She began crying and asked if this was "it for her". She stopped crying and began the task a second time.</p>

<p>without being prompted. She again swayed and hopped on the foot during the task. While counting, Lotfi began laughing. Lotfi ultimately demonstrated mood-swings and was emotional during the task.</p> <p>I then provided the instructions and demonstrated the Finger to Nose Task. Lotfi explained that she knew the difference between her left and her right hand. I instructed Lotfi to begin the task, to which she failed to tilt her head back nor close her eyes. I proceed to call out "left", which is when she then tilted her head back and closed her eyes. observed the following:</p> <p>L1: Lotfi touched the tip of her finger to the tip of her nose. R1: Lotfi touched the tip of her finger to the tip of her nose. L2: Lotfi touched the tip of her finger to her left cheek. R2: Lotfi touched the tip of her finger to the bridge of her nose. R3: Lotfi touched the tip of her finger to the bottom of her nose. L3: Lotfi touched the tip of her finger to her upper below, just below her nose.</p> <p>The fifth task was the Romberg alphabet. After explaining the instructions, Lotfi stated she understood and had no questions. I instructed Lotfi to start. She then asked "down to Z?". I explained the instructions again. Lotfi recited the alphabet in the following manner, A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y and Z". I asked Lotfi if she felt comfortable with this, to which she replied no and stated because she felt cold. I asked her if she wanted to complete the task again, to which she advised she did. I explained the instruction again. Lotfi recited the alphabet in the following manner, "A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z". Lotfi recited the alphabet in a rhythmic manner, despite being instructed not to.</p> <p>After completing the task, Lotfi placed both hands on the side of her face and was mumbling words to herself that were inaudible. I asked her if she was okay and why she was talking to herself. She explained she was trying to count the alphabet. Lotfi began smiling, but shortly after proceeded to start crying.</p> <p>While on scene, I also spoke with Stone regarding the incident. Stone explained that while traveling North on US Highway 1, just North of Tierra Lane, he was traveling in the #1 lane, when Lotfi rear-ended his vehicle. After the crash, he pulled over into the turning lane. Following this, Lotfi rear-ended his vehicle again a second time. Stone's vehicles (Bearing FL AR84T) had extensive damage to the rear fender and trunk. Stone confirmed he did not wish to file a traffic crash report, but wished to exchange information with Lotfi. Stone advised that he observed Lotfi in the driver seat and did not see anyone else inside nor exit the vehicle. Stone stated that while speaking with Lotfi, her words were "all over the place". He made no complaints of injury and declined fire rescue. With Lotfi's consent, Stone was provided her insurance information,</p>

<p>contact information, and released from the scene.</p> <p>Based on the investigation and observations described above, probable cause was established to believe that Lotfi was in actual physical control of a vehicle while under the influence of an alcoholic beverage, chemical, or controlled substance, to the point where his normal faculties were impaired, contrary to F.S. 316.193. She was placed into handcuffs, which were double-locked and checked for proper spacing. I then requested Lotfi submit to a lawful breath test to determine his breath alcohol content, which she ultimately refused. I read Lotfi implied consent, which she advised she understood and still declined. Lotfi was advised of her charges and transported to Jupiter Medical Center for medical clearance. Lotfi was then later transported to the Jupiter Police Department Holding Facility, until the proper arrest paperwork was completed.</p> <p>While taking an inventory of Lotfi's personal property in the Jupiter Holding cell, I located a South Carolina Driver's License. The license depicted a picture consistent with Lotfi's current physical appearance. A records check was conducted through F/NCIC utilizing the aforementioned DL#, which came back with no record found. Before interviewing Lotfi regarding the DL, I read her Miranda warnings and she requested her lawyer to be present. Following this, I did not proceed with any questioning. Utilizing the Axon capture application, photographs were taken of the driver's license and later uploaded to Evidence.com. The license was later submitted into the Jupiter Police Evidence Department.</p> <p>Based on the afore-mentioned investigation, Lotfi was also charged with Possession of an altered D/L and that Lotfi did have in her possession a driver license upon which the date of birth had been altered, contrary to Florida Statute 322.212(5)(b) and (6). (2 DEG MISD).</p> <p>Lotfi was later transported to the Palm Beach County Jail without further incident.</p> <p>My body-worn camera was utilized for the duration of this incident. The above-described events are a summary of the body-worn camera footage and are not intended to be verbatim.</p>
