Probable Cause

On April 18, 2026, at approximately 12:44 A.M., I, Trooper Lafleur (ID#5261), along with Trooper Young (ID#5443), were dispatched by the Lake Worth Regional Communications Center (LWRCC) in reference to a single-vehicle crash on northbound Interstate 95 (State Road 9), just south of State Road 794 (Yamato Road), within the outside general purpose lane.

Upon arrival, I observed a black Toyota Corolla bearing New Hampshire license plate (5574868) positioned on the outside paved emergency shoulder, partially toward the adjacent ditch, with visible damage to the front portion of the vehicle. I observed a white male standing next to the driver's side door who was being attended to by Fire Rescue personnel. I made contact with the male, who was later identified by a New Hampshire driver's license (NHL15458072) as GEOFFREY C. DUBOSQUE (DOB: 07/17/1997). Mr. Dubosque was identified as the driver and sole occupant of the vehicle. He refused medical treatment on scene. While conducting the crash investigation, Mr. Dubosque had difficulty explaining how the crash occurred. I requested his driver's license and proof of insurance. During this interaction, I observed that his speech was slow and slurred. Additionally, I detected a strong odor of an alcoholic beverage emitting from his breath each time he spoke or exhaled. A short time later, Trooper Young arrived on scene and assumed responsibility for the crash investigation, which was completed prior to the initiation of the DUI investigation.

I then read Mr. Dubosque his Miranda Rights, and he stated that he understood them and agreed to speak with me. I asked if he was experiencing any medical issues, to which he responded no. He stated he had been traveling northbound on Interstate 95 prior to the crash and confirmed that he was the driver and sole occupant of the vehicle. When I attempted to ask additional questions, Mr.

Dubosque refused to answer further. While speaking with Mr. Dubosque outside of the vehicle, I observed multiple indicators of impairment, including: a strong odor of an alcoholic beverage emitting from his breath, bloodshot, watery, and glassy eyes, and slow, slurred speech. Based on these observations, I requested that Mr. Dubosque perform voluntary Standardized Field Sobriety Exercises (SFSEs). Mr. Dubosque refused to perform the exercises. I advised him that his refusal could be used against him in court and that a decision would be made based on my observations. He acknowledged this and maintained his refusal.

Based on the totality of the circumstances, I determined there was probable cause to believe that GEOFFREY C. DUBOSQUE was in actual physical control of a motor vehicle while under the influence of alcoholic beverages, chemical substances, or controlled substances, to the extent that his normal faculties were impaired, in violation of Florida Statute 316.193. At approximately 12:59 A.M., I placed Mr. Dubosque under arrest for Driving Under the Influence. He was handcuffed behind his back, double-locked, checked for proper fit, and searched incident to arrest. He was then secured in the rear seat of my marked Florida Highway Patrol vehicle (FHP3475) with a seatbelt applied for safety. Mr. Dubosque's vehicle was towed from the scene by Garden's Towing. Mr. Dubosque was transported to the Palm Beach County Breath Alcohol Testing (BAT) facility. I conducted a twenty-minute observation period, during which I ensured that he did not ingest anything by mouth or regurgitate. His mouth was checked and confirmed clear prior to the start of the observation period. Following the observation period, I requested that Mr. Dubosque provide a breath sample to determine the alcohol content of his breath. He refused. I then read the Florida Implied Consent Warning. Mr. Dubosque refused to acknowledge understanding and again refused to provide a breath sample. The refusal occurred at approximately 02:04 A.M. (See BAT video for full documentation.) He was later transported to Wellington Medical Center for medical clearance.

Mr. Dubosque was subsequently transported to the Palm Beach County Jail, where he was booked without incident on charges of Driving Under the Influence and Refusal to Submit to Testing. Mr. Dubosque was issued a DUI citation and a Uniform Traffic Citation. All events occurred in Palm Beach County, Florida.

Note: My patrol vehicle is equipped with in-car audio and video recording, which is available upon request.
