CASE #: 23-013478

DEFENDANT: Adams, George James

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time, BBPD dispatch received a call in reference to a motor vehicle crash that occurred at the entrance of BJ's located at 1540 W Boynton Beach Blvd, Boynton Beach, Palm Beach County, FL 33436.

Ofc Strong initially responded to the crash scene and contacted me advising that one of the involved drivers was exhibiting signs of impairment.

On arrival, I observed a Gray Jeep Compass bearing FL Tag: PER5AUD, with the Hazard lights on, Parked at the entrance of BJ's. The vehicle was observed with scratches/ paint transfer damages to the left rear fender. The other involved vehicle was a Blue Volkswagen (VW) Atlas bearing FL Tag GWNJ10, parked approximately 20 feet south of the other vehicle. The VW was observed with scratches/ and damages to the right front and rear door.

I spoke with the driver/registered owner of the Jeep, W/M Rollyon Persaud who stated that his vehicle broke down due to possible electrical problem while driving home, at which time he and his wife, Andrea Persaud pushed the vehicle to the above location to get off the roadway. Rollyon stated they were in the parking lot for more than 1 hr., while waiting for AAA roadside assistance. Rollyon stated that there was enough space for several vehicles, including trucks to passed by without colliding with his vehicle. In the area where Rollyon's vehicle was, I did notice more than enough room for any average vehicles to pass through; the vehicle was not impeding or blocking traffic.

Rollyon stated he was on the driver seat of his vehicle, and his wife was standing to the side, when they noticed the VW Atlas approaching their vehicle after making a left turn from Boynton Beach Blvd. Rollyon and his wife stated that the VW stopped directly behind their vehicle, at extremely close proximity, then the driver turned left and attempted to pass. Rollyon and his wife stated, as the VW passed their vehicle, the VW's right doors made contact with their vehicle's left rear fender causing damages. Rollyon stated the vehicle continued to drive towards the parking lot, at which time he ran after the vehicle to make the driver stop. Rollyon stated he made contact with driver of VW, which he identified, and stated that the driver appeared intoxicated. Rollyon stated the driver offered them money in exchange not to contact Law enforcement and not to report the crash. Rollyon's wife stated she called 911 and even told the dispatcher that the driver of the VW appeared drunk.

The damages on both vehicles supported the statement by Rollyon and his wife. Rollyon was the only occupant of the vehicle at the time of the crash and advised that he was not injured.

I approached the driver of the VW, identified via his FL DL as W/M George James Adams. I immediately noticed Adams' eyes were very glassy, he had a flushed face and was sweating, as I started speaking with Adams, I immediately detected a strong odor of Unknown Alcoholic beverage emanating from his breath. Adams stated that he was coming to BJ's to shop, and made a left turn from Boynton Beach Blvd. Adams stated he never saw the Jeep, and said that the Jeep did not the emergency hazards lights on. Adams stated he was not trying to leave the scene of the crash and was parking his vehicle out of the way of traffic.

Ofc Carter completed the crash report.

Based on my observation that Adams was operating his vehicle, while possibly under the influence of alcohol, I informed him that I completed the crash investigation and was now conducting a DUI investigation.

Post Miranda Warning, Adams admitted to being in physical control of the VW, which was the at fault vehicle for the crash. Adams stated, approximately 3 hrs. prior to the crash, he had consumed one(1) glass of "Bacardi Rum " alcoholic beverage at home. Adams stated he was coming to BJ's on the above date and time, to shop. Adams state he like to shop at BJ's in the early hrs. or late. Let it be noted that the crash occurred at 23:00 hrs., and BJ's closed for business at 21:00 hrs., which included the gas station. No other businesses were open in the area. When I asked Adams to walk to another location, he used his vehicle for support and kept leaning against his vehicle.

I informed Adams that I had reason to believed that he was operating his vehicle while under the influence of Alcohol and requested that he submit to the SFST's, which he agreed. Adams became extremely talkative and kept asking me to drive him home or to follow him home.

Prior to the SFST's, Adams advised that he had pre-existing issues with his eyes, and they sometimes became dry. Adams also stated that he had a disc remove from his lower back and a plate was added to his neck. Adam stated he was not injured from the crash.

HGN: this exercise was explained to Adams and he stated he understood. Adams was swaying side to side while doing the pen test. Adam then asked to stand in a wider stance, and said that he had difficulty standing to the disc taken off his lower back. Adam had difficulty following the pen.

WALK AND TURN:

While explaining the exercise to Adams, he stated that he would not be able to perform the exercise and claimed that the same pre-existing injury preventing from walking a straight line. Let be noted that Adam was able to walk around and in front of his vehicle on his own. This exercise was not completed.

ONE LEG STAND:

While explaining the exercise, Adams at first stated he would be able to stand on one leg, then said that he would not be able to keep his raised foot/leg straight. Adams stated that he could raise his foot but had to bent it. Again, Adam said his injuries would prevent him from completing the exercise.

FINGER TO NOSE:

This exercise was explained and demonstrated to Adams, and he stated he understood. Adams did not touch the tip of nose and did not bring his arms back to his side as he was instructed too.

ROMBERG/ALPHABET:

ROMBERG: Adams was asked to estimated 30 seconds and stopped at 17 seconds.

Based on the above, Adams was arrested (Handcuffed D/L and checked for spacing) for driving under the influence on Alcohol.

Adams was transported to the Palm Beach County BAT , where I arrived at 00:40 hrs. I then conducted a 20 minutes observation which ended at 01:00 hrs. following the 20 minutes observation, I asked Adams to provide samples of his breath which he agreed. On the first attempt, Adams refused to follow instructions and kept making excuses to avoid the breath test. Based on his behavior , on camera , I read Adams the implied consent, which he stated he understood. Adams was asked again to provide a breath sample and he agreed. Adams provided two(2) samples of his breath of: .221 at 01:11 hrs. and .207 at 01:14 hrs. Q/A's completed on camera

Adams, George James was charged with DUI Crash involving property damage pursuant to FSS 316.193.(3)C.1 . Adams was processed and booked at the Palm Beach county Jail.
