	☒ Marsy's Law CVI FL Const. Art.1 § 16(b)											
	On 5/13/2023, I was in service in unincorporated Boynton Beach, Palm Beach County. I was dispatched to a hit and run crash investigation with a witness to the crash still behind the vehicle. The witness advised that the vehicle parked at 9278 Laurel Green Drive 33437.											
	Upon my arrival to the above stated address, I made contact with the witness, Christine Walton, who advised that she had entered the neighborhood of San Valley and saw the black car driving erratically. Mrs. Walton then stated that she saw the black car hit a mailbox and continue driving to the address of 9278 Laurel Green Drive. Mrs. Walton then kept her eyes on the car and the driver and watched the driver get out of the car after some time. Mrs. Walton then stated that she saw the driver having an issue walking out of the car barely being able to stand and walk. Mrs. Walton continued to watch and observed the driver never go inside and stayed outside of the home the entire time up to my arrival. Mrs. Walton verified who the driver of the black car was and identified the driver was a white female with a bright green top and black shorts. Mrs. Walton advised that the black car hit the mailbox with the right side of the car. Mrs. Walton provided a witness statement of the incident.											
	D/S Hui 35920 was able to make contact with the owner of the mailbox at 9739 El Clair Ranch Road. D/S Hui observed the damage and confirmed with Mrs. Walton that it was the mailbox the black car had crashed into.											
	I made contact with the driver, later identified as Gloria Correa 4/23/1978, who was wearing a green top with black shorts. Ms. Correa was sitting on a bench in front of the house and I observed her to have red blood shot and glassy eyes. When Ms. Correa began speaking to me, she had thick shurred and mumbled speech. Ms. Correa appeared to be crying and upset. I introduced myself to her and the other female that was with her. The other female appeared to be consoling Ms. Correa. I advised Ms. Correa the reason for my visit was that I was investigating a crash. Ms. Correa denied being in a crash and stated that she and her boyfriend had just got into an argument and had broken up. I asked Ms. Correa to look at the damage that was on the right side of her car (black Lincoln MKZ Florida tag DGWM71). Ms. Correa stated that the damage was old damage. I checked the damage on the vehicle and it appeared to be fresh and was able to be wiped off of the car with a finger. As Ms. Correa walked to her car she was unsteady walking and used the other cars in the driveway for balance by placing her hands on them to stay upright.											
	Once I had Ms. Correa move away from the other female, I could clear identify that the odor of an unknown alcoholic beverage that I was observing was coming from Ms. Correa and not the other female. I observed Ms. Correa to have an odor of an unknown alcoholic beverage coming from her mouth area and breath when she was speaking to me.											
	Once D/S Hui confirmed that the damage on the car was from the mailbox and concluded his crash investigation, he then turned the investigation over to me. Once doing so, I advised Ms. Correa that the crash investigation had been concluded and that I am conducting a criminal investigation. I then read Ms. Correa her constitutional warnings and she advised that she understood. She continually stated that she just wanted to go home and that it is Mother's Day. I advised Ms. Correa of my observations of the odor of an unknown alcoholic beverage coming from her mouth area and breath and asked if she had anything to drink. Ms. Correa denied having any alcoholic beverages. I then asked Ms. Ms. Correa was advised of the Taylor warnings and was asked if she would perform the exercises. She agreed to perform them. She performed them as follows (see roadside page):											
	Horizontal Gaze Nystagmus - Ms. Correa could not follow the stimulus as instructed. When she was able to follow it, for one pass, I observed her left eye to have instant onset of nystagmus and lack of smooth pursuit. I attempted several times to administer the exercise, but due to Ms. Correa not following the stimulus and staring straight or moving her head and not keeping it still. The task was ended											
ADMINISTRATIVE	Walk and turn - Ms. Correa stated that she would perform the walk and turn. Ms. Correa was provided a yellow line from tape. Ms. Correa stated that there was nothing that would obstruct her from walking on the line. Ms. Correa stated that she does not have any medical problems or physical problems. When I attempted to administer the exercise and asked Ms. Correa to get into the starting position she walked adjacent to the yellow tape line. Ms. Correa then walked away and advised that she wanted to go home. The task was then ended.											
	After the roadside exercises were completed, I placed Ms. Correa under arrest for DUI. Myself and Cpl. Siegel 12460, attempted to place Ms. Correa in handcuffs and she then laid on the ground. Once Ms. Correa was on the ground, handcuffs were placed onto Ms. Correa and checked for proper fit. Ms. Correa was then placed into the rear of my marked patrol vehicle and resisted getting into the car and stated she just wanted to go home.											
	Ms. Correa was then transported to the Palm Beach County Jail and upon arrival escorted to the Breath Alcohol Testing Center. A 20-minute observation was conducted to ensure that Ms. Correa did not take anything by mouth or regurgitate. After the 20-minute observation was completed, Ms. Correa was escorted to the testing room and assisted to the chair in the room. Ms. Correa was asked identifying questions. Ms. Correa was then asked to provide a lawful sample of her breath and she initially stated she didn't know what to do. I then advised her of the Implied Consent and she stated that she understood. I asked her if she would submit to the breath test and she stated that she didn't know what to do and I advised her that it is her choice. She then stated 'fine'. I asked her what she meant with this response and she stated that she didn't know what to do. Ultimately, Ms. Correa advised that she would not provide a breath sample and a refusal was noted at approximately 1806 hours.											
	Ms. Correa was then asked questions and she answered. Please see questions and answers sheet. Once complete in the testing room, Ms. Correa was escorted to the holding cell and released from handcuffs and placed into the holding cell until the completion of the report.											
	Based on the evidence, witness statements, and the totality of the incident, I find there to be probable to arrest Gloria Correa for Driving Under the Influence FSS 316.193(1a). Ms. Correa was later booked into the Palm Beach County jail for DUI.

OBSERVATION OF DRIVER:

I made contact with the driver, later identified as Gloria Correa 4/23/1978, who was wearing a green top with black shorts. Ms. Correa was sitting on a bench in front of the house and I observed her to have red blood shot and glassy eyes. When Ms. Correa began speaking to me, she had thick slurred and mumbled speech. Ms. Correa denied having any alcoholic beverages. I then asked Ms. Correa if she was advised of the Taylor warnings and was asked if she would perform the exercises. She agreed to perform them. She performed them as follows (see roadides page):

DRIVER'S STATEMENTS:

After the roadside exercises were completed, I placed Ms. Correa under arrest for DUI. Myself and Cpl. Siegel 12460, attempted to place Ms. Correa in handcuffs and she then laid on the ground. Once Ms. Correa was on the ground, handcuffs were placed onto Ms. Correa and checked for proper fit. ODORS:

Ms. Correa was then asked questions and she answered. Please see questions and answers sheet. Once complete in the testing room, Ms. Correa was escorted to the holding cell and released from handcuffs and placed into the holding cell until the completion of the report.
