ON THE 8th **DAY OF** May **2026 AT** 0103 ☒ **A.M** ☐ **P.M.**

CASE #: 26-036219 **DEFENDANT:** Gregory Sirota 09/01/2001

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On May 8, 2026, at approximately 0103 hours FTO Cox and I witnessed a Gray Tesla bearing Florida tag (41BEWI) heading eastbound on Boynton Beach Blvd which had an expired tag. The vehicles registration was expired since 09/2025. Officers utilized department issued body worn cameras and patrol dash camera systems.

FTO Cox and I conducted a traffic stop at 300 W Boynton Beach Blvd. Upon contact with the driver Gregory Sirota W/M (DOB 09/01/2001) FTO Cox and I immediately recognized multiple unusual behaviors and indications of impairment. FTO Cox smelled a prevalent smell of alcohol emitting from Sirota's breath while speaking to him. Sirota was slurring his words, had glossy eyes and sweating profusely. Sirota was adamant that he just needed to use the restroom. When asked where Sirota was headed, he responded he was heading home. Sirota was headed east on Boynton Beach Blvd at the time of the traffic stop but resides west of Gateway which was an indication as it is the incorrect direction of travel if he was heading home. When Sirota was asked if he had anything to drink tonight, Sirota answered no and that he was coming from work. FTO Cox asked when he got off work to which he responded 9pm. As the traffic stop was conducted at approximately 0103 hours Sirota was asked what he was doing in between the time he got off to current time to which he had difficulty answering. At this time FTO Cox asked Sirota to exit the vehicle to which he tripped over himself getting out of the car where Officer Mireles and I observed him swaying back and forth and experiencing a shift of emotions. Sirota would be calm and willing to conversate with officers at one moment and then completely shut down getting frustrated in the next, giving indicators of impairment. FTO Cox then asked Sirota if he would be willing to do standardized field sobriety tasks (SFSTS) to which he refused. At this time FTO Cox read Sirota his Taylor warnings and was asked again if he would be willing to submit to the SFSTS. Sirota again refused, he was then placed under arrest for Driving under the influence of drugs or alcohol (DUI) by Officer Mireles and I. Handcuffs were double locked and checked for proper spacing. Sirota was then placed in the back of FTO Cox's patrol vehicle.

FTO Cox and I then transferred Sirota to the Boynton Beach Police Department. Upon arrival the observation process began at approximately 0144 and concluded at 0204. During this time, he was still acting very nervous and did not comprehend much of the situation even after many explanations. After 20 minutes of the observation period, I then asked Sirota if he would be willing to submit a breath test to which he refused. I then read Sirota implied consent and explained it numerous times at Sirotas request. While reading implied consent Sirota was having a hard time understanding what was being said. Sirota at first refused, then went back and forth unable to make a decision. Sirota asked for me to repeat what had been read to him. I then again read Sirota the implied consent form to which he interrupted multiple times misunderstanding what was being said and confused on what he should do. I attempted to tell Sirota he needed to stop interrupting so I could finish reading the form. I then asked again if he would be willing to submit to a breath test. He for a third time asked me to repeat the information to which I made clear that I would read it for him one more time. I then read the implied consent another time taking breaks in between to ask if Sirota understood what was being read. At the conclusion of me reading this he then

asked advice on what to do, I replied with I am unable to give any advice on the situation. Sirota then decided to submit to the breath test.

At this time, Sirota was then taken into the area with the Intoxilyzer and began to attempt to give breath samples. Sgt Paramore who is a certified breath administrator, was administering the breath test had to give Sirota instructions numerous times to which he was unable to complete. Sirota was unable to complete the breath test multiple times and was given numerous chances to complete the breath tests. The first breath test was invalid. The second breath test came back with a result of .097. The third test came back with a result of .090. At this time FTO Cox made Sirota aware of his results and then read him his Miranda rights before asking him the DUI Questionnaire (see Questionnaire sheet for answers). Sirota refused to answer a majority of the questions to include still denying he had any alcoholic beverages.

Sirota was charged with DUI pursuant to Florida State Statute 316.193(1a). Sirota was later turned over to the Palm Beach County Jail.
