<div style="border: 1px solid black; padding: 5px;"> ☐ Marsy's Law CVI <small>FL Const. Art.1 § 18(b)</small> </div> <p>On 09/12/2025 at approximately 1813 hours, I responded to the area of 10th Ave N and N Dixie Hwy, City of Lake Worth Beach, FL, 3460, in reference to a complaint of a possibly intoxicated driver.</p> <p>Upon arriving in my marked patrol vehicle to the Walgreens parking lot of 1001 N Dixie Hwy, I observed the described White Hyundai Sonata bearing FL tag#48ERLF parked in a parking stall occupied by a white female driver, later identified as Hallie Vickers. The White Hyundai then backed out of the parking spot and positioned its vehicle to go westbound on 10th Ave N. There was another vehicle behind driven by the complainant who looked at me and started to point toward the vehicle. I made contact via phone with the complainant who stated she works at a resort she observed Vickers at and saw her have multiple drinks before getting inside her car to leave. The complainant was getting off of work and followed her from the resort where she observed her driving the wrong way down a one way, almost hit several other cars and swerving in the lane.</p> <p>After speaking with the complainant, I positioned my marked patrol vehicle directly behind the Hyundai and activated my emergency lights and siren to conduct a traffic stop for a welfare check for the driver. Upon making contact with the driver Vickers, I observed glossy red eyes and she kept repeating herself and stated she was lost trying to find a brewery in Boynton Beach.</p> <p>Due to the above circumstances I requested a PBSO DUI unit and Investigator White #7209 responded to the scene.</p> <p>The investigation was turned over to him.</p> <p>My body worn camera was activated for this incident.</p>

<p>☐ Marsy's Law CVI FL Const. Art.1 § 16(b)</p> <p>On Friday, September 12, 2025 at approximately 0030 hours, I responded to 9th Avenue North and North "D" Street to assist with a "Mobile Eyes" complaint of a vehicle driving recklessly inside a parking lot, before entering onto a roadway. The complainant provided up dates of the vehicle's travel as they followed it into a parking lot. When deputies arrived the complainant directed their attention to the vehicle. Deputy Z. Roys conducted a traffic stop on the vehicle at the previously mentioned location. After making contact with the driver he suspected her to had been drinking alcoholic beverages. I spoke with the complainant via cell phone prior to my arrival. The conversation between us was captured on my body worn camera. Upon my arrival I noticed a white vehicle stopped in a grass alley facing west. A white female was seated inside the driver seat. I spoke with D/S Roys who told me he responded to the complaint and stopped the vehicle described by the complainant. He suspected her to had been drinking and asked for a DUI unit to respond to assess the driver for possibly being impaired. I made contact with the driver who was currently seated in the driver seat of the previously mentioned vehicle. She was later identified as Hallie Jean Vickers by her Florida driver license. She seemed confused and was not sure of her location. Her face was flushed and the inside of her mouth was dry. Her eyes were red, watery and glossy. Her lips were dry and when she exited her vehicle I noticed she was unable to keep her balance. I could smell an odor of an unknown alcoholic beverage emanating from the inside of the vehicle. She was wearing light blue pants, a black top and black slides. I told her a "Mobile Eyes" complaint was called in describing a white vehicle traveling unsafely on the roadway. Deputies responded to the location and were given a description of the vehicle. D/S Roys stopped the vehicle to conduct a welfare check on the driver. After making contact with the driver he suspected her to had been drinking and unspecified amount of alcoholic beverages. I explained I shared the suspicion of her alcoholic beverage consumption. [REDACTED]</p> <p>Based on my suspicion I asked if she would perform Standardized Field Sobriety Tasks to determined if she was impaired while operating her vehicle. She agreed to perform the tasks. I asked her to exit the vehicle and walk to an area on the roadway. I escorted her to a safe area in the roadway where our patrol vehicles shielded us from traffic. The roadway was damp from previous rain. Prior to her performance I asked if she had any physical issues with her body. I also asked if she was taking medication. She reported she neither has anything wrong with her physically, nor is she taking medication.</p>

<p>☐ Marsy's Law CVI FL. Const. Art.1 § 16(b)</p> <p>I could now smell a strong odor of an unknown alcoholic beverage coming from their breath. The following tasks were explained, demonstrated and acknowledged by her prior to her performance: HGN, THE WALK AND TURN, ONE LEG STAND, FINGER TO NOSE AND THE ROMBERG ALPHABET RECITATION. Her deficiencies were recorded on another form on this work packet. At the conclusion of the tasks, coupled with the "Mobile Eyes" complaint called in by a concerned citizen, to include the deputy stopping the vehicle complained upon where he observed signs of impairment exhibited by the driver, to include my observation of personal indicators of impairment exhibited by her, probable cause was established for DUI. I told the defendant she was being placed under lawful arrest for the charge. She was handcuffed (checked for proper fit) prior to being seated into the rear of my patrol vehicle. D&D Towing responded on a rotation request and impounded the defendant's vehicle to their lot. Meanwhile I began transport to the main jail's breath analysis facility for further processing. Upon our arrival I escorted the defendant into the facility and began a 20 minute observation period. During this time the defendant did not ingest anything into her body orally or otherwise. Neither did she regurgitate. Afterward I escorted her into the testing room and asked her to provide breath samples for the purpose of detecting her alcohol content. She refused. I read her implied consent to which she understood. When asked if she would reconsider her refusal and provide breath samples, she began pondering and did not respond with an affirmative answer. She eventually agreed to provide the samples. She was turned over to the breath technician. The defendant provided two (2) adequate breath samples that rendered results of .184 and .187. I advised her the Constitutional Rights in which she acknowledged. I asked if she would consent to an interview. She obliged. After the interview she was booked into the main jail on the charge of DUI.</p>
