CASE #: 23-022451

DEFENDANT: Atkinson, Hauk Austin

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time, BBPD dispatch center received a BOLO in reference to a vehicle that was possibly involved in a hit and run in the area of Hypoluxo Rd and the northbound exit Ramp of I-95. Dispatch advised that the vehicle was last seen heading westbound on Hypoluxo Rd, heading towards city of Boynton Beach limits. A possible tag of GTN was provided for the vehicle, with the description being a silver Chrysler Sedan, and the driver was possibly a white male in his 20s.

Sgt Schalk was in the area of Hypoluxo Rd and N Congress Ave, Within the city of Boynton Beach, Palm Beach County, FL, 33436, when he observed a vehicle matching the description traveling west on Hypoluxo Rd. Sgt Schalk got directly behind the vehicle and provided a complete tag of, FL Tag: GTKY07, which came to a Gray Chrysler 200 Sedan registered to W/M Atkinson, Hauk Austin. Sgt Schalk advised that the vehicle struck the curb as it travelled westbound. Sgt Schalk initiated a traffic stop in the westbound lane of Hypoluxo Rd and the intersection of Venetian Dr, within the city of Boynton Beach. The vehicle continued to travel westbound and came to a full stop just north of the intersection of Hypoluxo Rd and Lawrence rd.

I then responded to the traffic stop and made contact with Sgt Schalk who advised the following: Upon locating the vehicle, Sgt observed the vehicle swerving to the right and striking the curb on several occasions as it traveled west on Hypoluxo Rd. Sgt Schalk advised that the vehicle was missing the right headlight and had extensive damages to the right front bumper. Sgt Schalk advised that, after the vehicle came a full stop, the driver, identified via his FL DL as W/M Atkinson, Hauk Austin was asked to exit due the front airbags inside the vehicle being deployed.

Contact was made with a BSO (Broward sheriff Office) crime scene detective Clint Williams who showed up on scene and advised that he was the one who made the call to his agency which then relayed the BOLO to BBPD dispatch. Det Williams advised that he was off duty and exiting the I-95 northbound exit ramp of Hypoluxo, when he noticed the Chrysler sedan on the left side of the ramp, appeared to being involved in a crash due to the damages to the bumper. Det. Williams stated he attempted to do a welfare check on the driver and walked towards the vehicle, at which time he noticed the airbags deployed. Det Williams stated the white male driver and sole occupant sped off and was last seen westbound on Hypoluxo. Det Williams relayed the information to his agency who then contacted BBPD.

I approached the above vehicle and observed extensive damages to the right front bumper and the airbags inside the vehicle were deployed. Other officers were standing near the vehicle with Atkinson; there were no other occupants inside the vehicle. I approached Atkinson and try to ascertained if he was involved in crash at which time I noticed his eyes were bloodshot red and glassy and he was swaying extremely and unable to maintain his balance. Atkinson said he was involved in a crash; however, he was not able to provided a location and a time frame for the crash. Atkinson was observed with no apparent signs of injuries. BBPD dispatch did not received any calls or additional info from surrounding agencies in regards to a crash involving the Gray Chrysler. Officers also BOLO for a crash in the area with no results.

I asked Atkinson again if he remembered being involved in a crash and he was not able to provide a location except that he struck a road sign. While speaking with Atkinson, a very strong odor of unknown alcoholic beverage was emitting from his breath and he was unable to maintain his balance. Officers had to stand in close proximity to Atkinson to prevent him from falling.

I informed Atkinson that I was done ascertaining/investigation the possible crash, and that I was now conducting a DUI investigation due to my suspicion and evidence that he was in physical control of his vehicle while under the influence of alcohol.

Post Miranda Warnings, Atkinson stated he was coming from Downtown Delray Beach, where he was at an unknown bar with some friends. Atkinson stated he bought and consumed a bottle of "Titos Vodka". Atkinson stated he drove home in Indiantown Rd, then stated that he was now in West Palm Beach, on Boynton Beach Blvd. Atkinson stated he knew that he was drunk and added that he has driven home in this condition before. Atkinson was asked, on a scale of 1 to 10, 1 being completely sober and 10 being extremely drunk, how did he feel and he said an "8". Atkinson stated he felt ok to drive home.

I then asked Atkinson if he would agree to perform the SFST's (Standardized Field Sobriety Task) and he agreed.

Atkinson kept swaying and unable to maintain his balance when asked to switch location, and almost fell to the ground. Atkinson stated he had no current medical condition or recent injuries.

SFST's

HGN: During the pen test, Atkinson was not able to follow the pen, and kept moving his body and head in different directions. Atkinson was extremely talkative and did not remain in the position instructed by placing and holding his hands behind his back.

WALK AND TURN:

This exercise was explained and demonstrated to Atkinson and he stated he understood. During the instruction phase, Atkinson had to be reminded several times to follow my direction and remained extremely talkative. Atkinson kept interrupting my instructions and was told that I would mark it as a refusal if his argumentative behavior continues. Atkinson stepped off the line and used his arms for balance during the instruction phase. During the exercise phase, Atkinson performed less than 9 steps and missed heel to toe on every step. Atkinson made an improper turn and performed less than 9 steps again, while missing heel to toe on every step. Atkinson kept swaying and was unable to maintain his balance.

ONE LEG STAND:

This exercise was explained and demonstrated to Atkinson and he stated he understood. During the instruction phase, Atkinson did not remain in the position instructed and kept using his arms for balance. Atkinson continued

to argue and kept being extremely talkative. During the exercise, Atkinson was swaying side to side, put his foot down and kept using his arms for balance. Atkinson almost fell at which time I asked other officers to remain in close proximity for his safety.

FINGER TO NOSE:

This exercise was explained and demonstrated to Atkinson and he stated he understood. During the exercise, Atkinson used his right index finger when I call for his left, and he did not touch his nose. Atkinson did not bring his arm down back to his side after each call. And kept swaying side to side

ROMBERG/ALPHABET:

This exercise was explained and demonstrated to Atkinson and he stated he understood. Atkinson was asked to estimate 30 seconds, and I had to stop the timer at 1 minute and 7 seconds after Atkinson open his eyes and started talking again.

Based on my investigation, Atkinson was placed under arrest for driving under the influence of alcohol. Let it be noted that Sgt. Barrios ended up locating a posted sign that was struck, possibly involving Atkinson's vehicle, at the i-95 northbound exit ramp at Hypoluxo Rd. the information was relayed to corresponding law enforcement agency.

Atkinson was then transported to the Palm Beach County BAT where I arrived at 02:01 hrs. I then conducted a 20 minutes observation on Atkinson the asked him if he would agree to provide breath samples to determine the alcohol content, which he said yes.

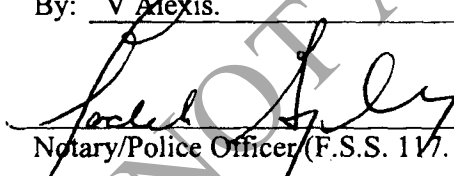

Atkinson provided two samples of: .246 at 02:33 hrs. and .252 at 02:36 hrs.

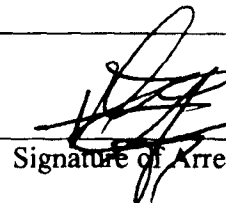

During Q/A's Atkinson added that he had 6-7 drinks at a bar in Downtown Delray Beach.

Based on the above facts, W/M Atkinson, Hawk Austin was charged with DUI pursuant to FSS 316.193.1a. Atkinson was medically cleared, processed and lodged at the Palm Beach County Jail. Investigation was recorded on BWC and in-car cameras. Copy of the BAT facility video will be submitted.
