CASE #: 23-036614 **DEFENDANT:** REZANIA, HOSSEIN

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time, I was dispatched to the area of Manatee Bay Dr and N Federal Hwy, which is the 2000 Block of N Federal Hwy, City of Boynton Beach, Palm Beach County, FL, 33435 in reference to a single vehicle crash.

On arrival, I observed the involved vehicle, a black 2022 Subaru Ascent bearing FL Tag: QBES13, crashed against shrubberies and a tree on the west side of the roadway, in the southbound lanes. The driver, later identified as W/M Hossein Rezania was still in the driver seat of the vehicle; there were no other occupants. There were minimal damages to the tree, however the vehicle flattened the shrubberies in the area. The vehicle was observed with moderate damages to the front bumper and tires, and damages to the right rear fender, which was lodged against the tree. There were no other vehicles involved.

I made contact with a witness, W/M Kenny Bradley who provided the following sworn recorded statement. The witness stated that he exited his residence to take out the trash, when he heard what sounded like a vehicle crash. The witness stated he then noticed the black Subaru, backing up in the area of the crash, and drove off, at which time he noticed a parked vehicle with fresh damages to the rear bumper. The witness stated that the above vehicle continued traveling towards the front gate of the complex, at which time he noticed the vehicle was observed swerving all over the parking lot. The witness stated that he followed the vehicle, which then stopped behind another vehicle awaiting the exit gate of the complex to open. The witness stated that the other vehicle exited, however the Subaru did not move for approximately three(3) minutes while there were no other vehicles blocking it and the gate was fully opened.

The witness stated the vehicle started moving again, at which time he noticed the vehicle swerved again almost striking a wall outside the gate. The witness stated the vehicle stopped again at a stop sign at the intersection of Federal Hwy, and did not move for approximately three(3) minutes for a second time. The witness stated that the vehicle then accelerated, drove across the northbound and southbound lanes of Federal Hwy, and mounted the curb at the southbound lanes before cashing against a tree and some shrubberies. The Witness stated that he flagged down a passerby who help called 911, and ran over to the vehicle to check on the driver. The witness stated that the driver was conscious, and kept attempting to drive away to the point his vehicle got stuck in the dirt. The witness stated that he removed the keys from the vehicle to prevent the vehicle from driving away.

Officers later located the first vehicle that was hit by the Subaru, a Silver Honda CR-V bearing CT Tag: AL76224. The vehicle was unoccupied at the time. The force of crash when the Subaru struck the Honda, pushed the Honda up the curb. The Honda was parked forward, and was observed with damages to rear bumper. Debris pieces of the Subaru (the suspect's vehicle) was located near the first crash scene next to the Honda. Officers left a case for the owner.

I approached the driver side of the Subaru and made contact with the driver/ Defendant Hossain. Hossain face appeared flushed, his eyes were glassy and he appeared sleepy. I asked Hossain if he was ok and for his document when I noticed he was slow to react and his speech was slurred. When asked for his license,

the defendant kept shuffling cards in his wallet, very slowly and forgot that the gave his DL to another officer on scene. In regards to the crash, the defendant stated that he did not recall crashing against another vehicle. The defendant stated that he left his apartment and was on his way to a Subaru Dealership to retrieve his other vehicle since the one he was driving was a loaner. Let it be noted that the time of night was 21:30 hours, on a Saturday night.

The Defendant stated that, when he left the apartment complex, he was attempting to make a left/southbound turn on N Federal Hwy, at which time another vehicle cut him off causing him to crash. The defendant then that the unknown vehicle, hit the rear bumper of his vehicle causing him to crash. I walked over to the witness again, who stated that there were no other vehicles in the area at the time of the crash, and no other vehicles or persons involved. The defendant was observed with no apparent signs of injuries, however I requested Boynton Beach Fire Rescue to check on the defendant.

On arrival, BBFD requested the defendant to exit his vehicle, at which time I observed the defendant unable to hold his balance and kept swaying back and forth. The defendant had to use his vehicle for supported as he walked from the driver seat. Once BBFD cleared the defendant, I asked the defendant to standup, when I observed the defendant to be swaying and unable to hold his balance. I spoke to the defendant again in regards to the crash, when I detected a very strong odor of unknown alcohol beverages emitting from his breath.

Once gathering all information for the crash investigation, I informed the defendant that I was no longer conducting a crash investigation and I was now conducting a DUI investigation based on suspicious that he was intoxicated while being in control of his vehicle; Miranda Warnings advised.

Post Miranda, the defendant admitted to be driving his vehicle and was involved in the crash. The defendant stated that, few hours prior to the crash, he went to a convenient store one block away, where he purchase some Bud light beer. The defendant stated that he went home after that, where he consumed one(1) beer (Bud light). The defendant stated then stated he had two(2) beer, then got in his vehicle and was on his way to the Subaru dealership. The defendant stated he did not feel intoxicated and could driver home. Based on my suspicious that the defendant was driving intoxicated, I asked the defendant if he would agree to do the SFST's to dispel my suspicion, which he refused. I informed the defendant of the Taylor Warning's and asked him a second time if he would agree to do the SFST's and he refused a second time.

SFSTs Refused.

Based on the above fact's, the defendant was arrested (Handcuffed, D/L and checked for spacing) for driving under the influence of alcohol.

The defendant was placed in my vehicle (4962) and was transported to the Palm beach County BAT Facility. I arrived at the BAT at 22:41 hours and started a 20 minutes observation. Once completed, I requested the defendant to provide samples of his breath to determine the alcohol content which he agreed to.
The defendant provided a breath sample of .160 BrAc at 23:16 hrs. and .156 BrAc at 23:20 hrs. Q/A's were completed. BAT testing procedures were video recorded.

Based on my investigation, the defendant was charged with DUI involving property damage Pursuant to F.S.S 316.193.3(c)1. And DUI .150 or higher pursuant to F.S.S 316.193(4). The defendant was also cited accordingly.

The defendant was medically clear, processed and lodged at the Palm Beach county Jail. Investigation was recorded on BWC and Dashcam.
