Probable Cause

On Wednesday June 28th, 2023 at approximately 6:20 AM, I was dispatched to a disabled vehicle southbound on Interstate 95 (SR9) just south of Okeechobee Blvd (SR704). A road ranger was out with a disabled vehicle and advised that the driver was possibly impaired. I proceeded to the location. I met with the road ranger and he advised me of his observations. I asked the road ranger if he observed the driver behind the wheel of the vehicle and the road ranger advised that the driver was still behind the wheel. I approached the vehicle on the driver side and knocked on the window. The vehicle was on and the driver was asleep in the driver seat behind the wheel of the vehicle. The driver did not wake after me knocking on the window. I then checked to see if the door was open and it was. I opened the door and attempted to wake the driver. I had to physically shake the driver in order for him to wake up. The driver was the sole occupant of the vehicle. I noticed that the vehicle's ac was on as well. I identified myself to the driver and requested his license. The driver went back to sleep. I had to shake the driver again to wake him. I asked the driver for his license. The driver searched throughout the whole vehicle and told me that we were already out with him earlier. The driver then asked what I needed. I once again said that I needed his driver license. The driver then asked who I was. I told him I am Tpr. Lajie with the Highway Patrol. While speaking to the driver, I was able to smell a very strong, obvious and distinct odor of an unknown alcoholic beverage emitting from the drivers breath and person. The drivers speech was slurred and his eyes were bloodshot red and glassy. The driver was finally able to provide me with his FL DL out of his wallet from his rear right pocket. I identified the driver as Ian Scott Morse. I asked the driver where he was coming from and where he was going to. The driver advised he was coming from Tampa. I looked at his license and asked if he was going home to St. Pete Beach. The driver said no he lives in Tampa. Based on all of my observations to this point, I requested Mr. Morse exit the vehicle. I began speaking with Mr. Morse and advised him of my observations and he said wherever this is going no. I then showed Mr. Morse and had him read his license which states "operation of a motor vehicle constitutes consent to any sobriety test required by law." Mr. Morse said no that he wanted his lawyer. I attempted to advise Mr. Morse that in order for me to properly determine that he was able to safely operate a motor vehicle I would need him to submit to lawful field

sobriety exercises. Mr. Morse once again said that he would not submit and wanted his lawyer. Based on the totality of the circumstances and my training and experience, I strongly believe that Mr. Morse was impaired beyond the legal limit and would not be able to safely operate a motor vehicle. Mr. Morse was placed under lawful arrest for DUI. Mr. Morse was transported to Palm Beach County Jail by Tpr. Ong and we arrived at 7:18 AM. Upon the completion of the 20 minute observation where Mr. Morse did not have anything by mouth or regurgitate we went into the Breath Alcohol Testing Room in order to get a sample of Mr. Morse's breath. Mr. Morse refused the breath test and Implied Consent was read. Mr. Morse advised that he understood and will still refuse the test. Refusal time was 7:47 AM. Mr. Morse was taken over to the booking facility for booking. All the above events occurred within Palm Beach County, State of Florida. All the above events have been digitally recorded and uploaded to the FHP Video server.
