PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 16 day of June, 2023 at 17:31 (Specifically include facts constituting cause for arrest.)

On 6/16/2023 at approximately 1731 hrs I responded to the area of N Central Boulevard and W Indiantown Road, Jupiter, Florida, in reference to a report of a traffic crash. I was operating my unmarked Jupiter PD police car (P1912). It should be noted that at the time of this investigation I was and currently am a Drug Recognition Expert (IACP DRE #34042) in good standing, in addition to being a certified Traffic Homicide Investigator. Details of the call came in from the driver of VEHICLE-2, Nicholas Diana (WI-1). I was advised by dispatch that Diana believed the other driver to possibly be under the influence and was attempting to leave the scene. The other driver was later identified as Ingrida Puzikas (OF-1) by her valid Florida driver`s license.

Upon my arrival I observed Puzikas` black Mercedez (CB9780/FL) still in contact with the rear of Diana`s vehicle, a black Acura SUV (CFKH59/FL). Upon my arrival, Puzikas was still behind the wheel of the vehicle with the ignition turned on. Upon pulling up to the scene, Puzikas started to reverse as if she was trying to leave. I ordered her to stop and had her hand me the keys. Upon making contact with Puzikas I detected an overwhelming odor of unknown alcoholic beverage emitting from the vehicle. While speaking to Puzikas the same odor of unknown alcoholic beverage would intensify, signaling that the origin of that odor was her mouth. I further observed that Puzikas had slurred speech and later observed glassy, bloodshot eyes when she removed her glasses. I conducted a crash investigation during which I determined that Diana was sitting at the red light in his vehicle for approximately thirty seconds when he was rear ended by Puzikas. Puzikas told me she hit the car as they were turning. I provided Diana with a crash info sheet. For full details of the crash, please refer to my long form crash report under this same case number.

I had Puzikas exit the vehicle and walk to the front of her car to look at the damage. While she did this I noticed an unsteady gait and apparent partial soiling to the rear right of her dress. I advised her that based on my observations I was switching from a

PROBABLE CAUSE STATEMENT

crash investigation to a criminal DUI investigation. I read her her Miranda rights from a prepared card. I asked her how much she had to drink today and she stated nothing. She also denied using any prescription medication. I then advised her that I could smell the odor of an unknown alcoholic beverage emitting from her breath and asked her to explain it, but she was still insistent at this time that she had not been drinking. I asked for her to submit to field sobriety exercise and she consented. The following are the results:

HORIZONTAL GAZE NYSTAGMUS (HGN)
-Equal tracking and pupil size
-No resting nystagmus in either eye
-Lack of smooth pursuit in both eyes
-Distinct and sustained nystagmus at maximum deviation in both eyes
-Onset of nystagmus prior to forty-five degrees in both eyes with an estimated angle of onset of thirty-five degrees.
-VGN not present in either eye
-6 of 6 clues

WALK AND TURN
-Fell out of staring position
-Started too soon
-Stepped off line multiple times
-Missed heel to toe multiple times
-Used arms for balance
-Stopped while walking
-Improper turn (no turn)
-Improper number of steps
-8 of 8 clues

ONE LEG STAND
-Put foot down multiple times
-Used arms for balance (at one point she also used her right arm to balance on her vehicle)
-Swayed

FINGER TO NOSE
1L - Pad to tip, DNP
2R - Pad to under left nostril, drag to tip, DNP
3L - Pad to tip, DNP
4R - Pad to tip, DNP
5R - Started L, switched to R, pad to tip, DNP
6L - Pad to tip
***DNP denotes "did not put" finger down after each touch, as instructed

PROBABLE CAUSE STATEMENT

I was setting up for the Rhomberg Alphabet but determined that due to English not being Puzikas` first language; it would not be a fair assessment.

Based on my investigation at this point I had probable cause to believe that Ingrida Puzikas had been in actual physical control of a vehicle while under the influence of an alcoholic beverage, chemical or controlled substance to the point that her normal faculties were impaired, contrary to F.S.S. 316.193(1). I placed her under arrest at 1803 hrs. I asked for her to submit to a breath test and she refused. I read her implied consent from a prepared card, confirmed that she understood and again asked for her to submit to a breath test. She refused with a marked refusal time of 1805 hrs. A check of DAVID shows that Puzikas has a prior refusal to submit to a lawful test of her breath, urine or blood for a prior DUI with an effective date on 4/7/2021 (St. Johns County). Based on this information I also have probable cause to charge Puzikas with failing to submit to a chemical test with a prior refusal, contrary to F.S.S. 316.1939(1). I brought her to the police department for paperwork. She was then transported by the incoming road patrol shift to the county jail. BWC.
