PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

- [ ] committed the below acts in my presence.
- [ ] was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
- [ ] confessed to _____ admitting to the below facts.
- [x] was found to have committed the below acts, resulting from my (described) investigation.

On the 15 day of August, 2023 at 02:11 (Specifically include facts constituting cause for arrest.)

On 8/15/2023, at 0150 hours, I was traveling behind a white GMC (MI Butter1). I watched as the vehicle made a left turn from NE Mizner Blvd onto E Palmetto Park Rd. While following behind the vehicle I observed it swerving and at one point it traveled so far that it crossed the double yellow lane divider and almost entered into the oncoming traffic lanes. I activated my emergency equipment and conducted a traffic stop on the vehicle at approximately 500 E Palmetto Park Rd. As the vehicle slowed to a stop it struck the curb on the eastbound lanes.

I walked up to the driver`s side window and was immediately presented with the overwhelming odor of alcohol emanating from within the vehicle. The driver who was identified by his FL DL as Jack Farah advised he was picking up his friends from the bar. In speaking with Jack, I observed his eyes to be Bloodshot and watery as well as the odor of alcohol emanating from his breath. I asked Jack to step out of the vehicle to separate him from the highly intoxicated passengers. Now outside the vehicle and in fresh air, I could still smell the odor of alcohol emanating from Jack. As Jack was stepping out of the vehicle, I observed multiple beer bottles stuffed within the driver`s door. One of the bottles was still mostly full with condensation on the sides. Based upon the combination of pre and post-stop indicators I requested Jack participate in Field Sobriety Exercises (FSEs) to which he complied. Prior to completing the exercise, Jack advised he was healthy with no health concerns.

The FSEs were conducted as follows.

Horizontal Gaze Nystagmus (HGN)

The defendant identified the stimulus as red. The defendant had equal pupil size and equal tracking in both eyes. The defendant`s eyes continued to jump as he attempted to follow the stimulus. In conducting the exercise, I was able to observe a Lack of Smooth

PROBABLE CAUSE STATEMENT

Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation, the onset of Nystagmus prior to 45 degrees, and Vertical Nystagmus. While giving the instructions the defendant continued to sway.

Walk and Turn

The surface was flat and hard. The defendant attempted to do the exercise with shoes. The line used was a painted yellow line. I made sure the defendant both knew the line he would be using and the color of that line. I began the exercise by instructing and demonstrating to the defendant how to complete the exercise. While giving instructions the defendant failed to stay in the starting position. In conducting the exercise, the defendant raised his arm above six inches for balance, made an improper turn, and failed to walk Heal-to-Toe twice.

One Leg Stand

The surface was flat and hard. The defendant attempted to do the exercise with shoes. In conducting the exercise, the defendant raised his arms above six inches for balance and swayed.

Finger to nose

The surface was flat and hard. The defendant conducted the exercise with shoes. The defendant failed to touch the tip of his finger to the tip of his nose multiple times. During the exercise, the defendant continued to sway.

Modified Romberg Balance

The surface was flat and hard. The defendant conducted the exercise without shoes. During the exercise, the defendant continued to sway. The defendant notified me of the completion of the exercise after 39 seconds.

Due to the totality of the circumstances and my training/experience, I felt the defendant was unable to perform simple tasks during the exercises due to being impaired. I felt the defendant is too impaired to operate a motor vehicle safely. The defendant was placed under arrest at 0211 hours, for driving under the influence. Jack was placed in handcuffs that were checked for tightness and double-locked.

The vehicle was towed by West Way towing. The tow log was completed and submitted by Officer Madotta.

All passengers in the vehicle were over the age of 18.
