PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 25 day of August, 2023 at 23:50 (Specifically include facts constituting cause for arrest.)

On 08/25/2023, at approximately 2324 hours, I was dispatched to 103-A1 US Highway 1 (Double Roads Tavern) located in Jupiter, FL 33477 in reference to a 911 call of the manager of the business Darren B. Seeman (W/M 10/10/1970) observed a drunk white male, approximately late 50`s, last seen wearing a grey shirt, and grey hair, driving around the parking lot in a grey Hyundai Pickup. Prior to my arrival in my marked police patrol vehicle, wearing my agency issued uniform that identifies myself as a police officer for the Town of Jupiter, I observed the vehicle and driver matching the description that the original caller gave to NorthComm, leaving the plaza and head west on E. Indiantown Rd.

I observed the pickup truck (bearing FL tag: AJ89GN) continue to travel west in the north lane of E. Indiantown Road, failing to maintain its single lane of travel. As the pickup truck was approaching the traffic control device (on a steady, red light) located at E. Indiantown Rd and US Highway 1, it was following too closely to the vehicle in front of them and almost rear ended the vehicle. The pickup truck braked hard enough to cause the wheels to skid, and ultimately came to a complete stop just shy of the vehicle in front of it. Once passing through the intersection, the pickup truck continued to travel west in the center lane, once again failing to maintain its single lane of travel and using all three lanes of travel. As we approached the intersection of E. Indiantown Road and Intercoastal Pointe Drive, I activated my interior red and blue lights and siren to conduct a traffic stop. The pickup truck continued to travel west keeping its consistent speed and passing the intersection of Alternate A1A and Indiantown Road with my interior lights and sirens activated. The pickup truck then ultimately came to a complete stop at 359 W. Indiantown Road (Exxon).

I made contact with the driver, who was later identified by his Florida Driver`s License as James Gregory Bock (W/M 08/30/1963). I explained Bock the reason for my traffic stop and asked for his driver`s license, registration and proof of insurance. As I was

PROBABLE CAUSE STATEMENT

speaking to Bock, I noticed he was very lethargic and had slurred speech. I also smelled a strong odor of an unknown alcoholic beverage emitting from his breath. Bock retrieved his driver`s license but had to be reminded approximately two times for his registration and proof of insurance. Once he retrieved the items I had requested for him, I asked Bock to step out of the vehicle to which he consented to.

Upon exiting, a strong odor of an unknown alcoholic beverage was emitting from his person along with bloodshot red, glossy eyes. Bock was swaying side to side, stumbling on his feet and at one point almost falling forward. Bock had to use his pickup truck for balance. I proceeded to ask Bock what was he doing at Double Roads to which he replied "having an evening". As I was about to ask Bock another question, he began to vomit profusely onto the ground. Bock then advised he doesn`t usually puke when he drinks. After Bock collected himself and stopped vomiting, I asked him how many alcoholic beverages did he consume while at Double Roads to which he replied "few drinks". I then asked Bock if he could roughly estimate, how many beverages did he consume to which he replied "4-5 beers". Bock then stated he had consumed more drinks than planned.

I then asked Bock if he would consent to completing Standardized Field Sobriety Tasks (SFSTs) to which he did not wish to do. I proceeded to read Bock his Taylor Warnings off of my agency issued card to which he then asked what are the Standardized Field Sobriety Tasks. I then explained to Bock the following tasks he would have to complete which consisted of the Horizontal Gaze Nystagmus, One Leg Stand, Walk and Turn, Finger to Nose, and Romberg Alphabet. I then asked Bock again if he would complete the SFSTs to which he still did not wish to do so. His time for SFST refusal was noted at approximately 2350 hours. I placed Bock into my agency issued handcuffs which were double locked and checked for spacing and he was advised he was being placed under arrest.

Once Bock was placed into the backseat of my patrol vehicle, I asked for Bock to submit to a lawful test of his breath to determine the alcohol content to which he replied "go fuck yourself". I then read Bock Implied Consent off of my agency card to which he replied "go fuck yourself". Bock`s breath refusal was noted at approximately 2357 hours. Bock was then transported to our temporary holding cell for the proper paperwork to be completed. I issued Bock his DUI citation (AHDGP1E) and explained that signing the citation is not an admission of guilt, and he is signing that he received a copy of the citation and would appear in court on 09/27/2023. Bock refused to sign the citation and continued to yell profanities at myself and other officers.

Based on my observations, and totality of circumstances, probable cause exists to charge James G. Bock with driving under the influence (Normal Faculties Impaired) and willfully refuse to sign and accept traffic summons, contrary to FSS 316.193(1)(A) and 318.14(3).
