Probable Cause

On January 6th, 2023, at approximately 11:14 PM, I was dispatched by the Lake Worth Regional Communication Center (LWRCC) to a Hit and Run crash that occurred on Interstate 95 (State Road 9) southbound exit ramp to Northlake Boulevard (State Road 850). On arrival, Officer Carber #471 and Officer Warren #463 with the Palm Beach Gardens Police Department were on scene. I observed a blue Volvo sedan bearing Florida license plate 402RAF and a White Cadillac Escalade bearing license plate BA07614 out of Connecticut. Upon speaking to Officer Warren and Carber, I was advised that the complainant in the Volvo flagged down Officer Warren and advised that a White Cadillac Escalade rear ended their vehicle and fled the scene. Officer Carber was able to locate and conduct a traffic stop on the suspect vehicle traveling westbound on Northlake Boulevard (Case number 78-23000122). The victim was able to capture a picture with their cell phone of the Cadillac Escalade fleeing the scene.

I made contact with the suspect JAMIE FRANCIS CHASSE later identified by his Florida Driver's License C-200-426-77-241-1. While speaking to Mr. Chasse I observed a strong unknown alcoholic beverage coming from his breath and bloodshot glassy eyes. I introduced myself and began the crash investigation. Mr. Chasse denied being involved in the crash. Upon inspecting both vehicles, there was a thin crack on the rear bumper of the Volvo and chipped paint on the front right portion of the Cadillac. Based on the victim's testimony and the minor damages on both vehicles I determined Mr. Chasse was at fault for the collision. After investigating the crash, I advised Mr. Chasse that I was now conducting a DUI investigation. I asked Mr. Chasse if he was willing to conduct Standard Field Sobriety Exercises and Mr. Chasse agreed. While walking toward my patrol vehicle, Mr. Chasse appeared to be unsteady

NOT A CERTIFIED COPY

and lethargic. I asked Mr. Chasse if he wore contact lenses or glasses and he advised no. I also asked Mr. Chasse if he had any physical ailments that would keep him from executing the exercises and he also advised no.

Horizontal Gaze Nystagmus: I observed equal pupil size and equal tracking. I observed a lack of smooth pursuit in both eyes and distinct and sustained nystagmus at maximum deviation. I also observed an onset of nystagmus prior to 45 degrees with both eyes. After horizontal gaze nystagmus I checked or Vertical Gaze Nystagmus and observed nystagmus.

Walk and Turn: During the instruction phase, Mr. Chasse was given verbal instruction to maintain the starting position while I demonstrated the exercise but immediately began walking without instruction. Mr. Chasse also had a difficult time maintaining the position during the instructional phase. Mr. Chasse missed three heel to toe steps on the way forward and three on the way back. Mr. Chasse executed an improper turn and used his arms for balance.

One Leg Stand: I explained and demonstrated the exercise to Mr. Chasse. During the exercise Mr. Chasse used his left foot and put his foot down 5 times. Mr. Chasse swayed while balancing and used his arms to balance.

Based on the totality of circumstances, there was probable cause to arrest Mr. Chasse for Driving Under the Influence. I then placed Mr. Chasse under arrest.

Mr. Chasse was transported to Palm Beach County Jail (Breath Testing Facility).

I started the 20-minute observation at 1:12 AM and at no time did Mr. Chasse regurgitate or take anything by mouth. I requested Mr. Chasse to voluntarily provide a breath sample to determine the alcohol content. Two breath samples of 0.127 and 0.132 were provided by Mr. Chasse.

All events occurred in Palm Beach County.
