PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that I have just and reasonable grounds to believe, and do believe that the above named Defendant committed the listed violation(s) of law. The Person taken into custody:

- ☐ Committed the below acts in my presence.
- ☐ Confessed to [WITNESS] admitting to the below facts.
- ☐ Was observed by [WITNESS] who told [WITNESS] that he/she saw the arrested person commit the below acts.
- ☒ Was found to have committed the below acts, resulting from my (described) investigation.

On Sunday, August 30

th,

2026, at approximately 1758 hours, I responded to [redacted] Florida, in reference to a domestic dispute between the complainant and her [redacted].

Upon my arrival, contact was made with the complainant, identified as [redacted] who stated the following: She was in an argument with her [redacted], Jane Wareham, 12/14/1967, over monetary issues. During the argument, Jane attempted to strike her with her open hand on her face. She was able to avoid a majority of the strike but was scratched on the left side of her nose by Jane's nails. After the strike, Jane's trained attack dog, a German Shepard, attempted to attack her, scratching her with its nails. She believes Jane commanded the dog to attack her. The two eventually separated, with Jane going back inside the residence with the dog. No other witnesses were present at the time, and no cameras were present.

While speaking with [redacted], I observed a small fresh laceration on the left side of her nose where it connects to her face. I also observed a small red mark around the laceration.

I then made contact with Jane, who exited the residence to speak with Deputies. Jane stated the following after being read her Miranda Rights: She recently read [redacted] diary and discovered her intention to take approximately $10,000 dollars before leaving the home to live somewhere else. This discovery infuriated her, prompting her to write a check for the desired amount before confronting her, demanding she leave. The two argued for a short period before [redacted] said something that offended her. Angry, she responded by slapping Jane in the face. [redacted] She explained that she did not issue any commands to the dog to attack, as she also

received scratches due to the dog being in the middle of the argument. Only she and her [redacted] were present at the property at the time of the incident.

While speaking with Jane, I did not observe any physical injuries that would indicate she was in a physical altercation. I observed numerous fresh lacerations on her upper right leg consistent with the injuries she explained she received from the dog.

Due to the above information, Jane Wareham is in violation of Florida Statute 784.03(1)(a)(1) simple battery for intentionally striking her [redacted]
