The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 10/20/2024, at 0129 hours, Corporal R. Weidler ABN 224870 conducted a traffic stop on the defendant at 6500 Adamo Dr for Unlawful Speed. The defendant was the driver of a gray Kia, bearing FL tag QLCI67 (VIN: 5XYP3DHC0MG177045). Corporal R. Weidler advised while talking with the defendant he observed signs of impairment from her. I responded to the scene and observed the defendant to have signs of impairment, such as the distinct odor of an alcoholic beverage emanating from her breath, she had glassy/watery/bloodshot eyes, slow slurred speech, unsteady balance, and her movements were slow/lethargic. The defendant was asked to participate in the Standardized Field Sobriety Exercises, which she agreed. After the conclusion of the Walk and Turn, the defendant refused to complete the last exercise and was subsequently arrested for DUI (see template). I transported the defendant to Central Breath Testing (CBT). After Implied Consent was read (by Deputy K. Alva-Arias ABN 241952) and understood and a proper 20-minute observation period was conducted, the defendant agreed to provide two lawful samples of her breath. Breath technician U. Nelles ABN 264952 provided me with the results, and they are as follows: second BrAC sample .120, third BrAC sample .123. The defendant was positively identified via FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
