The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On the above listed date, time, and location, the affiant was sitting stationary observing traffic. The affiant observed a white sedan driving north on N Dale Mabry at a high rate of speed. The affiant visually estimated the speed of the sedan at 65 MPH in a posted 45 MPH zone. The affiant activated his TruSpeed S laser (S/N: tj016222) and observed the speed of the sedan to be 64 MPH in the posted 45 MPH zone. The affiant conducted a traffic stop on the vehicle and made contact with the defendant. The affiant smelled an odor of an alcoholic beverage emitting from the defendant's breath, observed her to be slow and lethargic, and to have glossy, watery, and bloodshot eyes. The defendant agreed to perform standardized field sobriety exercises, on which she showed indicators of impairment on each exercise. The affiant advised the defendant of the implied consent warning, to which she refused to submit to a lawful breath test.

The affiant learned via DAVID that the defendant had a guilty conviction for DUI on 07/24/2018.

The defendant was identified via her Florida DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
