Probable Cause

On August 28, 2026, I, Officer Christopher Watson with the Florida Fish and Wildlife Conservation Commission (FWC) was conducting water patrol in my state agency vessel, clearly marked with State Law Enforcement insignia, in the City of Fort Lauderdale, Broward County, Florida Officer Comartin (FWC) and Officer Lopez (FWC) were present with me on my patrol vessel at the time of the incident At approximately 2134 hours, I observed a vessel, 32-foot white Intrepid, traveling northbound in the Intracoastal Waterway (ICW) just south of the Sunrise Blvd Bridge

The vessel was observed to have no red port side (left side) navigational light and an all-around white light laid down not being seen from a 360-degree angle I activated my blue lights and conducted a vessel stop and made contact with the operator and sole occupant of the vessel, identified via Florida Driver's License as Jason Lozon Upon further observation, I noticed the vessel did not have properly displayed Florida registration numbers or Florida decal displayed on the port side of the vessel Immediately, while speaking with Jason, I noticed a strong odor of alcoholic beverage emitting from his breath and person I also observed the defendant to have watery bloodshot eyes, consistent with being under the influence of alcohol

I asked Jason to produce license and registration to which he spent multiple minutes searching through his vessel's hatch trying to show me his proof of registration and failed to give me a valid license on first request I had to redirect Jason multiple times to show me proof of the vessel registration to which he finally was able to produce me a folder with no valid registration but instead gave me the title of the vessel Jason was eventually able to provide me with his Florida driver's license after asking multiple times During my entire interaction with Jason, he continued to have slurred speech and would repeatedly ask me the same question multiple times I performed a boaters safety inspection to which Jason lightly stumbled on a few occasions

When asking where Jason was coming from, he noted that he had been on the water for a couple hours and was coming from a restaurant named Coconuts Jason advised that he was with other occupants on the boat prior to going to coconuts I asked Jason how many alcoholic beverages he had consumed to which he stated he had 3-4 drinks I asked Jason to specify what kind of drinks, he stated that he had 3-4 beers along with food Jason stated that after they were done with the restaurant, Coconuts, he was asked by his peers to take the vessel back by himself to his residence while the other occupants went to Elbo Room Beach Bar

As I examined the vessel further, I noticed a bucket at the port side stern of the boat with over 8 empty beer bottles Jason noted that the beers were from the occupants on the boat earlier in the day I then asked Jason if he would be willing to come on my vessel in order to perform Standard Field Sobriety Task (SFST's) to which he immediately denied my request I then warned Jason that I would be making my arrest decision based on my

observations and that his refusal will be used against him in court Once I told Jason that he was being placed under arrest, he told me that I was unable to do so because I never gave him the opportunity to do sobriety task, directly after I had just asked him to perform the task

Once I placed Jason in handcuffs and advised him that he was under arrest, he noted that the whole reason for the stop was because of his failure to display Florida registration numbers It should be noted that upon the initiation of the vessel stop, I advised Jason the reason for the stop was because of his navigational lights, specifically his port side red light, not being operational during nighttime hours Throughout my encounter with Jason, he stated multiple times that "I am on your side" and then stated that he is part of the US Delta Force and that multiple Delta Force members were coming It should be noted that no personnel from the US Delta Force arrived on scene during our encounter

Based on my observations from the initiation of the stop, I placed Jason under arrest for Boating Under the Influence I advised Jason of his Miranda rights via an agency-issued pretext card Jason stated he understood his rights and invoked his rights

Jason was then transported to the Broward Sheriff's Office (BSO) Breath and Alcohol Testing Center (BAT), where he was read implied consent warning via agency issued pretext paper Jason refused to submit a lawful test of his beath Jason was subsequently transported to the BSO main jail for further processing and was charged with operating a vessel while normal faculties impaired, Florida State Statue (FSS) 327 35(1)(a) without further incident
