PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
The Person taken into custody :

- [x] committed the below acts in my presence.
- [ ] confessed to _____ admitting to the below facts.
- [ ] was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
- [x] was found to have committed the below acts, resulting from my (described) investigation.

On the 19 day of July, 2025 at 22:03 (Specifically include facts constituting cause for arrest.)

On 07/19/2025, at approximately 2144 hours, I was on proactive patrol in the area of north bound Interstate 95, approaching the W. Indiantown Road exit ramp. While on patrol in my unmarked patrol vehicle, I was wearing my agency issued uniform that identifies myself as a police officer for the Town of Jupiter. I observed a white Ford SUV (bearing FL tag: Y94LGI) parked on the east side of I95 in the grass area.

While I traveled north, I observed the Ford begin to drive north and immediately merge into the far-right lane, cutting off another vehicle that was traveling north. The vehicle had to use their brakes in order to avoid a traffic crash with the Ford. The Ford switched to the lane to its left and continued north. I merged into the lane to my left and continued to observe the driving pattern of the vehicle. As the vehicle passed me, it passed me at an extremely close distance from the passenger side of my patrol vehicle. I slowed down and got behind the vehicle to monitor it because I became worried for their safety that they were sick, tired, or impaired. I notified NorthCom of the vehicle and advised that I would be conducting a traffic stop. I waited to activate my overhead interior red and blue lights and sirens until we were in a safe area to conduct a traffic stop. The Ford exited I95 to go east on W. Indiantown Road using the far left lane and we approached a red light. Once the traffic light turned green to go east, I observed the vehicle accelerate quickly and heard the tires screeching as it moved. The Ford took a wide turn to go east, causing the driver side tires to strike the median and go over the curb. The Ford returned to its lane and continued east at an approximate speed of 60mph in a designated 50mph, shortly entering a 45mph zone (vehicle was paced using my patrol vehicle P1913). I notified NorthCom of my observations as we approached the intersection of W. Indiantown Road and 68th Terrace North. The Ford conducted a U-Turn and traveled west on W. Indiantown Road when I activated my red and blue lights and sirens to conduct a traffic stop in the area of Canal C-18. The vehicle was slow to stop, coming to a complete stop just before the north bound on ramp to Interstate 95 from W. Indiantown Road.

PROBABLE CAUSE STATEMENT

I approached the vehicle from the driver side and made contact with the driver/registered owner who was identified by his Florida Driver`s license as Jason J. Plocek (W/M 06/23/1983). I introduced myself and explained the reason for the stop and asked for his driver`s license, registration and proof of insurance. As I spoke with Plocek, I detected the odor of an unknown alcoholic beverage emanating from the vehicle. I also observed Plocek to have red, glossy eyes and slurred speech. I asked Plocek if he had any reason to his driving pattern to which he said he had an argument with his girlfriend, who was in the front passenger seat. I asked Plocek if he had anything to drink in which he said no. I had NorthCom conduct a records check of Plocek which he came back valid and clear. Based on my observations, I became worried for Plocek`s ability to operate a motor vehicle so I asked if he could step out of the vehicle to which he complied so I could speak with him further.

Upon exiting the vehicle at first, Plocek was unsteady on his feet and was lethargic. I walked him to the passenger side, front quarter panel of my patrol car to speak with him. As I spoke with him, he continued to display slurred speech and the odor of an unknown alcoholic beverage grew stronger from his breath. I asked about the argument that he had with his girlfriend in which he said they had a verbal argument that did not get physical (she also had a consistent statement). I asked Plocek if he had anything to drink to which he said he had consumed three to four beers between 12pm and 2pm. I asked Plocek if he would be willing to submit to Standardized Field Sobriety Tasks (SFSTs). Plocek replied "I will admit I had a couple beers...I don`t know what my rights are" and asked if someone could pick them up. I asked him again if he would be willing to submit to SFSTs and Plocek did not wish to submit. I read him his Taylor Warnings off of an agency issued card and explained to him the tasks I would request of him (HGN, Walk and Turn, One Leg Stand, Finger to Nose, Romberg Alphabet). Plocek understood but did not wish to submit to the tasks. This was documented at approximately 2203 hours. Plocek was placed under arrest and into handcuffs which were double locked and checked for proper spacing. I placed him into the rear seat of my patrol car and asked if he would be willing to submit to a lawful test of his breath for the purpose of determining the alcohol content to which he refused. I read Plocek his implied consent for breath where he understood but did not wish to submit. This was documented at approximately 2211 hours.

Plocek was escorted to our agency temporary holding cell for the proper paperwork to be completed. He was ultimately transported to the Palm Beach County Jail without incident. Plocek was booked and charged with DUI - Normal Faculties Impaired contrary to FSS 316.193(1)(A). He issued a Rough Arrest and DUI citation (AJL727E) with a court date of 08/20/2025 at 0830 hours at the North County Government Center in Palm Beach Gardens, FL. Plocek understood and signed these documents. It should be noted that when signing, Plocek still had red, glossy eyes. His vehicle and personal property with the exception of his cellphone was turned over to his uncle Jean Marc Trudel W/M 03/28/1966) on scene.
