**PROBABLE CAUSE STATEMENT**

The undersigned personally appears and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody

[X] committed the below acts in my presence

[ ] was observed by _____ who told _____ that he/she saw the arrested person commit the below acts

[ ] confessed to _____ admitting to the below facts

[X] was found to have committed the below acts resulting from my (described) investigation

On the 12 day of September 2026 at 20:55 (Specifically include facts constituting cause for arrest.)

The following incident occurred in the City of Delray Beach, Palm Beach County, Florida:

On September 12th, 2026, at approximately 1920 hours, Sergeant Alami was conducting a traffic selective near the 800 Block of SE 5th Avenue.

A black Jeep SUV was traveling southbound on SE 5th Ave and utilizing his department-issued Stalker laser, serial number LA009664, Sg.t Alami obtained a speed reading of 49 MPH in a posted 35 MPH speed zone.

Sgt. Alami turned on the red and blue emergency lights of his Delray Beach Police Department (DBPD) patrol vehicle and initiated a traffic stop on the black Jeep bearing Florida Tag PNQ4Q at the 900 Block of SE 5TH AVE for the moving violation stated above.

Sg. Alami made contact with the driver and sole occupant of the vehicle who was identified by his expired Florida Driver`s License as Jay Ajmo DOB: 09/02/2002.

Upon initial contact with Ajmo, Sgt. Alami observed an orange prescription medication bottle in plain view in the driver`s-side cupholder. Ajmo was asked if the prescription bottle belonged to him, but Ajmo stated that it did not belong to him and that it belonged to his girlfriend.

Sgt. Alami further examined the prescription bottle and observed two different types of pills inside the bottle (some were pink and some were orange). As Ajmo had stated, the name on the bottle was not his, it had "Julianna Palmisano" printed on it.

There was a total of 32 round orange pills with the imprint "N P 0 10 2 0" on them. Utilizing the pill identifier via Drugs.com, the pills were identified as Amphetamine and Dextroamphetamine 20 mg, a Schedule 2 Controlled Substance used for ADHD and

Narcolepsy.

There was a total of 37 round pink pills with the imprint "E 344" on them. Utilizing the pill identifier via Drugs.com, the pills were identified as Amphetamine and Dextroamphetamine 20 mg, a Schedule 2 Controlled Substance used for ADHD and Narcolepsy.

Based on my training, knowledge and experience, I know Amphetamine and Dextroamphetamine is most commonly known as "Adderall".

It is very uncommon for people to carry prescription bottles with somebody else`s name on them, with different colored pills inside and without proper documentation that would suggest they were picking them up from the pharmacy and taking them to the person to whom they are prescribed to.

It should be noted that Delray Beach is very close to Florida Atlantic University (FAU) and Lynn University. It has been commonly known that college students are misusing Amphetamine and Dextroamphetamine (Adderall), often selling them by pill to their peers. Amphetamine and Dextroamphetamine (Adderall) help people stay awake while partying and consuming other substances. At the time of this traffic stop, multiple college football games (Including FAU`s first home game) were being played, which would suggest an increase in the consumption of Amphetamine and Dextroamphetamine (Adderall) by college students. This traffic stop was conducted on southbound SE 5TH AVE and the 900 Block, FAU is only 15 minutes south of that location.

Based on the facts stated above, Probable Cause exists to charge Jay Louis Ajmo with two counts of Possession of a Schedule 2 Controlled Substance, pursuant to F.S.S 893.13(1)(A)1.
