The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On the above date and time, at the above listed location, Deputy Milillo #256594, was conducting a traffic crash investigation (see HCSO case #24-112655, DHSMV #26172216). While assisting Deputy Milillo with the crash investigation, I observed multiple signs of impairment from the defendant who was driving a Black Nissan Maxima bearing Florida tag: PP6HF, at the time of the accident. I waited until the crash investigation was complete and I conducted a DUI investigation. Prior to speak with the defendant, I met with the witness/victim later identified as, Dormail Arrington, who informed me he observed the defendant behind the wheel at the time of the crash. I then made contact with the defendant and requested him to perform Standardized Field Sobriety Exercises (SFSEs) which the defendant refused to perform. Based on the totality of the circumstances, the defendant was placed under arrest for DUI. The defendant refused to provide two lawful breath samples to determine his breath alcohol content (BrAC). I read Implied Consent to the defendant, he understood, and refused to provide the two breath samples. The defendant received a DUI citation #AAZ7BZE, which reflects the DUI charge. The defendant was identified via his Florida Driver's License.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
