The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On 03/13/2024 at approximately 2127hrs, I conducted a boat stop on a 2022 22' white Tidewater boat bearing FL1884TJ / Hin: NLPDB161E222 within 1 Seddon Channel, Tampa, Hillsborough County, FL 33605 for operating without its navigation lights on, documented with citation: V659603. Upon stopping the boat, affiant contacted the operator/defendant, who was standing at the helm with his hands on the steering wheel. During personal contact with the defendant, affiant observed the defendant to have slurred speech, blood shot watery eyes and observed a strong odor of an alcoholic beverage coming from his breath. Due to this, affiant requested the defendant perform seated sobriety exercises to determine if he was operating his boat while under the influence of an alcoholic beverage and/or controlled/illegal substance. The defendant refused to perform the exercises. Based on the totality of the circumstances, affiant arrested the defendant for boating under the influence. The defendant was transported to Central Breath Testing located within the Orient Road Jail. Upon arrival, the defendant was advised of Florida Implied Consent (2212 hrs). The defendant stated he understood and refused to provide a breath sample. The defendant verbally identified himself and produced a Florida driver's license.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
