NARR

On 9/9/23 at 2236 hours I responded to [redacted] reference a domestic battery.

Carlos Jones DOB 7/13/72 called from Kentucky to report that [redacted] had facetimed him crying hysterically and advised that [redacted] Jennifer Jones DOB 11/29/77 had hit her and

pulled her hair.

I arrived on scene and made contact with [redacted] who was very upset, and immediately showed me her left upper outer thigh, to which was a larger size hand print with four fingers and a thumb, which was very bright red, risen and welted on her skin. In my basic law enforcement training and experience and exposure in the field, this appeared to be a fresh hand print. It should be noted that I did not immediately take a photograph of this welt as I was still conducting my investigation; it was photographed several minutes later when the swelling and welt had lessened, however, it was captured on my BWC. It should also be noted that this hand print welt was angled in a manner that the finger prints of the welt were highly unlikely to have been self inflicted given the size of the handprint was much larger than [redacted] hand itself.

I could also see swelling and bruising on [redacted] left middle outer forearm, to which she advised was from [redacted] Jennifer Jones hitting her (as explained below).

[redacted] was up front and honest with me advising the reason [redacted] was angry with her was because she did punch holes in the walls inside of the house; which she believes [redacted] was trying to punish her for it, but has not gone as far to cause physical injury to her in the past, only ever spanking.

Upon initial contact with Jennifer Jones it was quite apparent that she was very intoxicated as I could smell a strong odor of alcohol coming from Jennifer Jones mouth, as well as she was unsteady on her feet, with glossy bloodshot eyes and repeating the same things over and over again as if it was the first time she had been telling me.

I contacted [redacted] to advised him that I was with [redacted] and confirm with him that he was okay with me interviewing her, to which he advised it was absolutely okay to speak with both of [redacted], to include [redacted] who was also on scene during the incident but did not witness the physical violence.

[redacted] was placed under oath and provided her sworn statement.

I elaborated to [redacted] what it meant to be placed under oath and made sure she understood.

[redacted] stated at some point earlier in the night she had punched holes in the bathroom walls and then was asleep on the top bunk of her bunk bed for some time when Jennifer Jones entered the room and told her to come fix the holes and clean the floor in the bathroom.

[redacted] stated she did not get up and told her [redacted] no, at which time she stated Jennifer Jones returned to the room and demanded over and over again for her to get up and clean the bathroom floor; [redacted] advised with each demand she would respond "no" to which Jennifer Jones would smack her on her left upper thigh in between, striking her with an open hand approximately four to five times before leaving the room. [redacted] stated she put her left arm up to try to block Jennifer Jones from slapping her thigh again, at which time Jennifer Jones struck her left outer forearm.

[redacted] stated she was upset and got out of her bed and went into the bathroom and closed the door; [redacted] stated she opened the bathroom drawer closest to the bathroom door in order to prevent Jennifer Jones from being able to enter.

NARRATIVE

[redacted] stated Jennifer Jones pushed the door opened and broke the drawer and entered into the bathroom and tried to grab her with both hands; [redacted] stated she was able to grab both of Jennifer Jones arms around the wrist area to prevent being grabbed, which possibly caused a scratch on Jennifer Jones wrist. [redacted] stated she was able to then run into the kitchen where she then grabbed a glass wall ornament and purposely dropped it on the floor to shatter it and then she ran into the living room and made a fist and said she was going to punch the TV, as Jennifer Jones was still following her trying to grab her.

[redacted] expressed to me and understood this behavior was wrong and disobedient, however she felt it was the only way to get Jennifer Jones to stop trying to hurt her.

[redacted] stated that while she was by the TV, Jennifer Jones came to her and grabbed her hair on both sides of her head with both hands and once Jennifer Jones let go of her she ran back to her room and put her hair in a pony tail in attempts to avoid having her hair pulled again.

[redacted] stated Jennifer Jones came into her room and grabbed her hair from the pony tail, ripping the pony tail from her hair and with her fingers layered into her hair she yanked three times, and stated " I am bigger and stronger than you"

[redacted] stated Jennifer Jones yanked on her hair three times hard enough to cause her to be sore in the area of where her pony tail was in place.

[redacted] stated at this time Jennifer Jones left the room and she immediately facetimed [redacted] and told him what happened and to call the Police because her Ipad was going to die.

I then spoke with Jennifer Jones who invited me into her home to see the damages caused by [redacted]. To which I did observed patched holes in the bathroom as well as a damaged bathroom drawer exposed on the sink counter.

I placed Jennifer Jones under oath and read her Miranda Rights to which she understood and still wished to speak to me.

I asked Jennifer Jones numerous times how she disciplined [redacted] for her actions this evening and she swore that she has never touched [redacted] nor would she and that all she does it take the phones away.

I asked Jennifer Jones how the large red hand print welt appeared on [redacted] left thigh and she advised she had no idea but denied that it was her.

I asked Jennifer Jones if anyone else was inside of the home that could have inflicted this injury to [redacted] to which she advised no.

Jennifer Jones suggested that [redacted] inflicted this injury to herself as she has self inflicted cuts to her own body in the past. Note; [redacted] was also very up front with me upon my arrival and elaborated that certain scars or injuries were from her past or from other irrelevant unrelated incidents.

I explained to Jennifer Jones that it is highly unlikely for [redacted] to have inflicted the welted hand

print to her thigh given the angle of the fingers and intensity of the welt.

Jennifer Jones still denied ever physically touching [redacted] and diverted her answers back to past incidents.

During my investigation, [redacted] had asked [redacted] if she had seen that Jennifer Jones already finished the entire bottle of vodka that she had just purchased today; which [redacted] advised she did see that the bottle is almost gone already. I did not observe the bottle of vodka.

At this time I placed Jennifer Jones under arrest for Domestic Battery and Child abuse, placed in handcuffs, double locked and checked for spacing.

Prior to placing Jennifer Jones into my vehicle she requested to say goodbye to [redacted] when saying goodbye, she told [redacted] to tell the Police the truth, at which time [redacted] responded saying " I did, you hurt me and I just wanted you to stop hitting me". [redacted] appeared to become very upset, I advised her to disengage and I placed Jennifer Jones in the rear of my patrol vehicle.

Jennifer Jones was later transported to PBCJ for lodging.

[redacted] was advised of the location of [redacted] and the findings of my investigation. He was provided Brownings contact information.

Photographs of the victim injuries were taken and uploaded to evidence.com

Given that the victim in a juvenile she was provided Marsys Law Brochure and will be invoked.
