ON THE 20th **DAY OF** June **2023 AT** 15:30 ☐ **A.M** ☒ **P.M.**

CASE #: 23-027297 **DEFENDANT:** Schmieder, Jennifer Marie

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On the above date and time, BBPD dispatch received a call in regards to vehicular crash that occurred at the intersection of Gateway Blvd and Congress Ave, City of Boynton Beach, Palm Beach County, FL, 33426.

I was contacted by Ofc Rini, who was already on scene, and he advised that one of the involved drivers was exhibiting signs of impairment. On arrival, I noticed the 2 far right northbound lanes of traffic and the right turning lane of Congress Ave were already blocked of by PD and BBFD personnel, just south of the intersection of Gateway Blvd. There was a vehicle (white Kia Sportage, bearing CA plates: 8KMB165) stopped in the center lane, just south of the intersection. The vehicle was observed with heavy front end damages which disabled it. I checked inside the vehicle and detected a very strong odor of unknown alcoholic beverage. On the Southeast corner of the intersection, there was another vehicle (White Honda Sedan Bearing FL Tag: AX32PU) stopped on Gateway, just east of the intersection, approximately 150 feet from the White Kia. The white Honda was observed with Extensive damages to the rear bumper and fender. Both vehicles were later towed by Beck's Towing due to the damages. The white Kia was registered to W/F Jennifer Schmieder

Contact was made with PSA Vazquez, who was completing the crash investigation. PSA Vazquez stated that crash investigation revealed that The White Honda was slowing down for traffic in the center of Congress Ave as it approached Gateway Blvd, and the white Kia was directly behind traveling in the same direction. Crash investigation concluded that the White Kia failed to stop for traffic and struck the rear end/bumper of the white Honda as it stopped for a red light. Red light traffic camera in the area capture the crash. Video was uploaded on evidence.com.

I made contact with Ofc Rini, who was standing on the sidewalk with a W/F Identified via her FL/DL as Jennifer Schmieder. Ofc Rini advised that Jennifer was the driver of the White Kia (the at fault vehicle) and that he she was still sitting in the driver seat of the vehicle when he arrived on scene. There were no occupants inside the white Kia. Ofc Rini advised that Jennifer appeared lethargic, slow to react when paramedics were attending to her while still sitting inside her vehicle. Ofc Rini stated that Jennifer was observed with glassy eyes, and there was an odor of unknown alcoholic beverages emitting from her person. Ofc Rini stated Jennifer then asked to exit the vehicle and stood on the sidewalk when the tow truck arrived.

I then spoke with the other involved driver of the white Honda, Identified via his FL Dl as Ahmed Korany. Korany stated that he was stopping his vehicle for the red light as he approached the intersection of Gateway and Congress Ave, when suddenly his vehicle was struck to the rear by the white Kia. Korany stated he sustained minor injury to his leg. He was not transported to the hospital

Lastly, I spoke with Jennifer in regards to the crash, who admitted that she was at fault for the crash. Jennifer stated she sustained minor scrapes to her arm but refused medical services from BBFD who were on scene. Paramedics on scene advised that they attended to Jennifer however she refused services and said that she was fine. Jennifer was standing with her sunglasses on, and was swaying back and forth unable to maintain her balance. Jennifer was looking for her insurance in her phone, at which time I noticed she was slow to react. I asked Jennifer if she would like to remove her sunglasses, which she agreed to, at which time I noticed her eyes were red and glassy, and her face appeared flushed. As Jennifer answered my questions, I detected a strong odor of unknown alcoholic beverage emitting from her breath.

Based on evidence/indicators that Jennifer was driving while impaired, I informed her that I was no longer conducting a crash investigation and was now conducting a DUI investigation. Prior to reading Miranda, Jennifer spontaneously uttered that she was drinking champagne and Orange Juice at brunch. Post Miranda, Jennifer stated that she was coming from Brunch somewhere in Boca Raton, where she 2 glasses of Champagne and orange juice (Mimosas). Jennifer stated she was at brunch with a group of friend around 11:00 am, and was now driving home to Boca Raton. Jennifer was asked if she know what city she was in and said that she was currently in Boca Raton.

Based on the above facts, I asked Jennifer if she would submit to the SFST's , which she agreed to. Jennifer stated she had no medical condition and sustained no injuries from the crash that would prevent her from performing the SFST's. Jennifer was requested to move to a safer location to conduct the SFST's .

SFST's:

WALK AND TURN:

While providing instructions for the exercise, Jennifer started walking without being instructed to do so, and she had to be remined at least 3 times to stop and remained in the position requested. Jennifer kept using her arms for balance, and put her right foot first on the line when she was asked to put her left foot. After several attempts and Jennifer's inability to stand in the manner requested, I finally provided the instructions which Jennifer stated she understood. Jennifer started the exercise too soon again. Jennifer used both arms for balance, failed to count on the first 9 steps and missed heel to toe. Jennifer made an improper turn and again used her arms for balance on the second 9 steps.
