I was patrolling the 7-11 (1201 45th St, Magnolia Park, FL, 33407) when I observed a vehicle parked in a handicap spot with no visible placard. The driver entered the vehicle and sat down taking physical control of the vehicle. I conducted a traffic stop activating my over head lights. I approached the vehicle and asked the driver later identified as Jessica Keglovich, for her license, registration, and proof of insurance. Upon contact, I observed Jessica Keglovich to have glossy, red eyes and slurred speech. Jessica Keglovich gave me her registration but refused to give me her license and insurance.

PROBABLE CAUSE STATEMENT

☐ Marsy's Law CVI
FL. Const. Art.1 § 16(b)

On Tuesday December 26th 2023, at approximately 0046 hours, I was dispatched to the 7-Eleven Convenience store, located at 1201 45TH ST, Mangonia Park (Palm Beach County) Florida, 33407, to assist Deputy Wilson (ID#37211) with a traffic stop that involved a possible impaired driver. While arriving on scene I noticed a white BMW bearing FL Tag# BL72DF parked in a handicap parking spot. The sign was clearly marked and positioned on the side of the building. Deputy Wilson's marked patrol vehicle was stopped behind the BMW. I also noticed a white female, later identified as Jessica Keglovich by her Florida driver license, seated in the driver seat. A check of her driver license revealed she has several suspensions.

I spoke with Deputy Wilson who stated he was patrolling the 7-Eleven parking lot when he observed aforementioned vehicle parked in a handicap spot with no visible placard. He told me the driver enter the vehicle and sat in the driver seat. He conducted a traffic stop and asked Keglovich for her license, registration, and proof of insurance. Deputy Wilson noted the driver had red and glossy eyes and slurred her speech. Deputy Wilson said she provided her registration but would not produce the other items asked for. He suspected that she had drank an unspecified amount of unknown alcoholic beverages and asked for a DUI unit to respond to his location.

I met with Keglovich who was in the driver's seat of the BMW. She told me she was coming from her residence to go to the gas station. At this point I noticed Keglovich had red and glossy eyes, a flushed face and was talking on the phone. She failed to comply with my instructions and ignored me. She slurred her speech while speaking and was unable to stay focus and remain on topic. I could smell a strong odor of an unknown alcoholic beverage emanating from the inside of the vehicle. She primarily focused on the phone in her hand and told me she was calling an FBI agent. During my encounter with her she remained defiant and would not heed any of my requests. Keglovich was wearing a black shirt, black tights and brown sandals. I told Keglovich I had a suspicion she had drank an unspecified amount of alcoholic beverages. She reported she had not drink anything. Based on my suspicion I asked her to perform Standardized Field Sobriety Tasks to determined if she was impaired while being in actual physical control of her vehicle. She declined.

PROBABLE CAUSE STATEMENT

I asked her several times to produce her driver's license and proof of insurance. She failed to acknowledge me and continued paying attention to her phone. She later said she was calling her mother. She demanded to know what she violated and we pointed to the Handicap parking sign and explained she was in violation because she did not possess a placard to park in the space. I asked Keglovich to step out of the vehicle several times to which she refused. I informed Keglovich if she did not step out of the vehicle she would be charged with Obstruction of Justice pursuant to F.S.S. 843.02

Keglovich was subsequently removed from her vehicle and charged with Obstruction of Justice pursuant to F.S.S. 843.02. Based on the indicators of impairment exhibited by her, to include her being in actual physical control of her vehicle, probable cause was established for DUI pursuant to F.S.S. 316.193(1)A. I told her she was being charged with both crimes. She was handcuffed (checked for proper fit) prior to being seated into the rear of my patrol vehicle. Her mother arrived on scene and took custody of her personal effects and vehicle.

Meanwhile I began transport to the main jail's breath analysis facility for further processing. Upon our arrival I escorted Keglovich into the facility and began a 20 minute observation period. During this time the Keglovich did not ingest anything into her body orally or otherwise. Neither did she regurgitate. Afterward I escorted Keglovich into the testing room and asked her to provide breath samples for the purpose of detecting her alcohol content. Keglovich refused and was read implied consent. Keglovich ultimately acknowledged the consent. I asked if she would reconsider her refusal and provide breath samples. Keglovich refused again and was deemed a "Refusal". No Q&A was done since she did not adhere to the reading of her Constitutional Rights. She was cited for parking in a handicap space, DWLS without knowledge and booked into the main jail for DUI.
