PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 6 day of September, 2026 at 21:55 (Specifically include facts constituting cause for arrest.)

On 9/6/2026 at approximately 2155 hours, I responded to [redacted] in reference to a domestic disturbance.

Upon arrival, I met with [redacted] who, post-Miranda and via a sworn statement, advised the following:

[redacted] was in a verbal argument with his [redacted] later identified by Florida Driver's License as Joannah Reich, which turned physical. [redacted] stated the argument began at the top of the stairs, at which point [redacted] walked downstairs and Reich willingly followed. [redacted] further stated the argument continued at the base of the stairs, where Reich picked up a gold-colored mirror and stated, "You have no idea how badly I want to break this over you right now" and acted as if she intended to hit him with it. [redacted] advised me that he believed that Reich would and had the ability to hit him with the mirror, and that her actions had placed him in fear.

[redacted] continued, stating that after he convinced Reich to put down the mirror, she attempted to grab another heavier mirror. [redacted] advised me that while he had grabbed the mirror in Reich's hands, he did not touch her, and that after placing the mirror on the ground, she scratched him across the left side of his neck, causing redness.

[redacted] added that after he was struck by Reich, he left the residence through the open front door so that the incident would be captured on his doorbell camera, and that as he was leaving, he heard Reich fall to the ground behind him. [redacted] stated that he turned around to find Reich on the floor holding her head.

I then spoke with Reich, who post-Miranda advised the following:

During the argument with [redacted] he physically lifted her over his shoulder to carry

her down the stairs. Reich stated that as he was carrying her, she was using a closed fist to hit him in the back as an attempt to get him to put her down. Reich further stated that after [redacted] reached the bottom of the stairs, he put her down, at which point she grabbed the gold-colored mirror and stated, "You have no idea how bad I want to break this right now". Reich denied ever attempting to or indicating that she would swing the mirror at [redacted].

Reich continued, stating that as she reached for the second mirror, [redacted] grabbed her around the waist and lifted her, throwing her out the open front door. Reich stated that is how she hit her head.

I then spoke with [redacted] again to clarify the following:

[redacted] denied carrying Reich down the stairs, advising that he was careful not to touch her throughout the encounter. I examined [redacted]`s back, observing no redness or other indicators that he had been struck in that area. [redacted] additionally denied throwing Reich out of the door, confirming that after she struck him, he only walked out of the room so that his son would not hear the commotion.

Based on my investigation, statements made by both parties, and the injuries [redacted] sustained being consistent with a scratch wound and the lack of injuries on [redacted]`s back that would be expected given Reich`s statement, I determined Reich was the primary aggressor in this incident. Reich subsequently placed under arrest for FSS 784.03(1A1) Simple Battery and FSS 784.011(1) Assault.
