PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 10 day of January, 2023 at 01:30 (Specifically include facts constituting cause for arrest.)

On 01/10/2023 at approximately 0130 hours, this Officer was conducting speed enforcement in the area of Alt A1A and Hood Rd, PBG, FL, when a vehicle was observed traveling at an increased rate of speed south bound in the middle through lane. Body worn camera and in car video were used.

This Officer`s initial visual estimation of the vehicle, was approximately 70 MPH in a posted 50 MPH zone. Using RADAR Stalker DSR2X (DB001317), rear antenna (KR027120) this Officer received a steady tone and reading of 70 MPH. The RADAR calibration was last checked on 12/28/2022 and was due on 06/28/2023. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. The vehicle, a Nissan two door sedan (NGXS73/FL) passed a Jeep Wrangler which was in the inside through lane traveling approximately 48 MPH.

This Officer entered the same lane as the Nissan and observed same drift once into the inside lane and later into the outside through lane. This Officer made contact with the driver, identified via Florida Driver License photo, Joaquin Alvear (OF), while he was still in actual physical control of same. Alvear exhibited signs of intoxication including red watery eyes, low droopy eyelids, slurred speech, flushed red face and the obvious odor of an unknown alcoholic beverage emanating from his breath at conversational distance. Alvear also had a very strong odor either body spray or cologne emanating from the vehicle. Alvear said he was coming from Abacoa. Alvear was aware he was driving on an expired driver license, which expired on 11/15/2022. Alvear denied consuming alcohol, controlled substances and/or Cannabis on this night.

Based on this Officer`s observations, Alvear was asked to exit the vehicle to ensure he was not under the influence. Alvear said he did not have any medical conditions which

would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Stylus Streamlight with an illuminated red tip. This Officer observed a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Alvear also had the onset of Nystagmus prior to 45 degrees in both eyes as well as Vertical Gaze Nystagmus in both eyes.

The second exercise conducted, was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions Alvear removed his right foot from the starting position and briefly raised his arms from his sides. Alvear also started the exercise prior to being told to do so. During the first set of steps, Alvear raised his arms more than six inches from his sides. After the final step, Alvear remained in place and told this Officer he had not counted the steps. This Officer then told Alvear to turn around, to which Alvear conducted an improper turnaround by way of coming off the line and walking around. During the return set of steps, Alvear again raised his arms more than six inches from his sides.

The third exercise conducted, was the One-Leg Stand. When this Officer told Alvear to get into position for instructions, Alvear raised right foot and bent his knee behind his left foot. This was done without any instructions from this Officer. During the exercise Alvear raised his left foot. Alvear swayed side-to-side during the exercise and had to be told three times to look down at his foot. Alvear`s right had came forward more than six inches from his side.

The fourth exercise conducted, was the Rhomberg Alphabet. During instructions, Alvear`s body language changed appearing uncomfortable. Alvear then said "I`m just a little annoyed". During the exercise, Alvear did not fully tilt his head back and Alvear was swaying orbitally. Alvear properly recited the alphabet.

The fifth and final exercise conducted, was the Modified Rhomberg Balance. During the exercise, Alvear estimated the passage of 30 seconds in approximately 41 seconds.

Based on this Officer`s observations, Alvear was placed under arrest at 0149 hours. After the arrest, Alvear became very argumentative, including saying "I had nothing to drink tonight". Alvear also said he intended to file a law suit on Officers. Alvear also stated "I`ve never been drunk in my life". On the roadside this Officer requested Alvear provide a breath sample for the purpose of determining its alcohol content, to which he requested counsel. This Officer read Florida Implied Consent via Florida DOT Cards, to which he again argued semantics of the case and demanded counsel. Alvear eventually acknowledged Implied Consent and consented to a breath sample.

While on the way to the PBSO BAT, Alvear continued accusing this Officer of misconduct

and making an unlawful arrest. Alvear was also certain he had not consumed any alcohol on this night. At PBSO BAT, this Officer requested Alvear provide a breath sample for the purpose of determining its alcohol content, to which he consented. At 0254 hours, he blew .087 and at 0258 hours, he blew .083.

Based on the results of the investigation and the totality of the circumstances, this Officer has probable cause to prove Joaquin Alvear operated a motor vehicle in the county of Palm Beach, in the state of Florida, while under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C).
