On 01/18/23 at approximately 1913, I was traveling SB in my Marked vehicle on S. Jog RD. while at the light on Purdy lane I observed a gold pickup truck bearing Illinois tag#49138G SB in the left lane of S. Jog Rd approaching Foxtail Dr. The vehicle veered to the left ran off the road and onto the median and nearly missed impacting several trees. As I caught up to the vehicle it continued to swerve out of the lane into the middle lane. I got behind it at Cresthaven Blvd and S. Jog Rd and observed it drive south still in the left lane and then it ran off the road again just prior to Constitution Way. I initiated a stop and he entered the left turn lane at S. Jog and Constitution. As I exited my vehicle and approached I noticed he was pulling away and I had to strike the bed of the truck to get the driver's attention ordering him to place the vehicle in park. I opened the driver's door concerned that the driver was going to drive off as he was nearing the more populated intersection of S. Jog Rd and 10th ave. He looked at me but appeared to be half asleep, I had to yell at him to place the vehicle in park. The male later identified as W/M John J Annoreno was slurring his words and had red glossy eyes, his clothing was disheveled and dirty. He said he was attempting to take his friend home. When asked if he had any medical issues or diabetes he stated he suffered from low blood sugar. I called the Greenacres EMS to respond reference a possible medical issue, Run# GAC23000303. When he exited the vehicle Annoreno used the door for balance and he was not steady on his feet. He was checked and found to have normal blood sugar and normal vitals. Once EMS stated he was clear of any medical issues I asked Annoreno to complete SFST's to which he agreed stating he had not been drinking. He was explained that Driving under the influence did not only mean alcohol but any other substances also, he still agreed. I asked the male if he had been drinking and he stated that he had not. He was asked if he had any illegal drugs but also said he had not.

☐ **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

I completed SFST which are documented in another document in this pack. Probable cause was developed for the arrest of John J Annoreno and he was placed into handcuffs which were double locked and checked for tightness. In the process of a search post arrest I found a glass pipe in the front right pocket of Annoreno's pants. Based on my training and experience it was a pipe used for smoking crack cocaine. In his right side cargo pant's pocket I found two short straws which are consistent with the use of snorting cocaine. I then removed Annoreno's wallet out of his pants and inside he had several credit cards in his name, I then observed 5 clear plastic baggies with an unknown white powder residue inside them . I then observed a piece of paper that appeared to be a receipt but it was folded in quarters. As i unfolded the paper a large amount of an unknown white substance spilled out on top of the wallet. All these items were placed into evidence.

Back up deputies arranged for the defendant's vehicle to be towed by Priority Towing a tow service from PBSO's rotation list.

Meanwhile I began the transport to the main jail breath analysis facility for further processing. Upon our arrival I escorted the defendant into the facility and began a 20 minute observation period. During this time the defendant did not ingest anything into his body orally or otherwise. Neither did he regurgitate. I escorted him into the testing room and asked him to provide breath samples for the purpose of determining its alcohol content. Annoreno provided two breath samples all while appearing to fall asleep as he waited. Both samples were a BAC of .000. Then requested he provide a Urine sample to which he hesitated. I read him Implied consent and asked for another sample. Like the SFST's he had to be explained this multiple times. He eventually stated that he understood implied consent and the consequences and agreed to provide a sample. He was read his Miranda Warnings and he then answered several questions again denning the use of any illegal or prescribed drugs. The urine sample was collected and placed into refrigerated evidence.

I find that there is Probable Cause for the arrest of John J Annoreno for driving under the influence. He was subsequently booked into the Palm Beach County Jail for DUI.
