PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody

☒ committed the below acts in my presence

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts

☒ was found to have committed the below acts resulting from my (described) investigation

On the 5 day of May 2024 at 02:25 (Specifically include facts constituting cause for arrest.)

On 05/05/2024 at approximately 0225 hours, this Officer was conducting speed enforcement in the area of the 13500-block of Alt A1A, PBG, FL, when a vehicle was observed traveling at an increased rate of speed south bound in the inside through lane. Body worn camera and in car video were used.

This Officer visually estimated the vehicle to be traveling approximately 65 MPH in a posted 50 MPH zone. Using RADAR Stalker DSR2X (DB001317), front antenna (KC086606), this Officer received a steady doppler tone and reading of 66 MPH. The RADAR calibration was last checked on 11/13/2023 and was due on 05/23/2024. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. This Officer entered the sample lane as the vehicle and observed same having great difficulty maintaining a single lane. This Officer observed the vehicle drift into the middle through lane more than half its width, at least four times. It should be noted other traffic was on the roadway as this was occurring.

This Officer attempted a traffic stop on the vehicle by way of activating overhead red and blue lights at the intersection of Gardens Pkwy. The vehicle continued east bound on Gardens Pkwy until coming to final stop in the left-hand turn lane in the area of Lake Victoria Gardens Av. This Officer approached the driver window and made contact with the driver and sole occupant, identified via Massachusetts Driver's License photo, John Lawless (OF), while he was still in actual physical control of same. Lawless had red watery eyes, mumbled slurred speech, flushed red face, the obvious odor of an unknown alcoholic beverage emanating from his breath, and he appeared to have regurgitated in his lap. Lawless did acknowledge having regurgitated on himself. Lawless indicated he was on his way home and when asked where he was coming from, he replied "a lot of places and I was supposed to drive one back here". This Officer asked

PROBABLE CAUSE STATEMENT

Lawless how much he had to drink on this night, to which he replied "a little bit". Lawless further denied taking narcotics and/or Cannabis on this night.

Based on this Officer's observations, this Officer expressed concern to Lawless that he was driving under the influence and asked him to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which he complied. Lawless said he did not have any medical conditions which would affect the exercises performed.

The first exercise conducted was the Horizontal Gaze Nystagmus. The stimulus used was a Streamlight Stylus with an illuminated red tip. Lawless had a lack of smooth pursuit in both eyes as well as involuntary jerking at maximum deviation in both eyes. Lawless also had the onset of Nystagmus in both eyes prior to 45 degrees. Lawless was swaying back and forth during the exercise and had to be reminded to properly follow the stimulus.

The second exercise conducted was the Walk and Turn. The line used was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Lawless had difficulty getting into and remaining in the starting position. Lawless stepped out of the starting position at least three times and also started the exercise prior to being told to do so. During the first set of steps, on step six, Lawless lost his balance and stepped off the line. Lawless missed heel-to-toe on step nine and took 10 steps rather than nine. Lawless also raised his arms more than six inches from his sides. During the return set of steps, Lawless stepped off the line on steps eight and ten. Lawless also raised his arms more than six inches from his sides and took ten steps rather than nine.

The third exercise conducted was the One-Leg Stand. Lawless raised his left foot. Lawless hopped many times and swayed side-to-side throughout the exercises. Lawless also placed his foot down prior to being told to do so.

Based on this Officer's observations, Lawless was placed under arrest at 0243 hours. At PBSO BAT this Officer requested Lawless provide a breath sample for the purpose of determining its alcohol content, to which he consented. At 0348 hours, Lawless provided a partial breath sample of .140. Lawless then refused to continue, to which this Officer read Florida Implied Consent to Lawless, which he acknowledged and consented again. At 0352 hours he blew .176 and at 0357 hours he blew .176.

Based on the results of the investigation, this Officer has probable cause to charge John Lawless with driving under the influence to the extent his normal faculties were impaired, with an unlawful breath alcohol content, in violation of FSS 316.193(1)(C). The degree to which Lawless was impaired by alcohol, was in violation of FSS 316.193(4).
