☐ **Marsy's Law CVI**
FL. Const. Art.1 § 16(b)

On Tuesday, February 6, 2024 I was assigned to North Region Patrol Operations. At or around 2031 hours, the Palm Beach County Sheriff's Office(PBSO) received multiple calls in regards to vehicle crash with a rollover in which one of the occupants was still entrapped located at Okeechobee Boulevard and Powell Road, unincorporated West Palm Beach, Florida.

As I, along with other Deputies were responding to the crash scene it was determined that all eastbound traffic of the would need to be should down and redirected back westbound. Myself and two other deputies had our marked *PBSO vehicle with* red and blue lights flashing and parked in a 45 degree angle forcing all traffic to merge at the nearest U-Turn. To the west of our cars, there was also approximately (20) twenty lit flares paralleling our vehicles which further created a visual aid for motorist operating on Okeechobee Boulevard.

While redirecting traffic for approximately 30minutes, traffic merged down into one lane beginning one quarter mile to the west of our location and every vehicle continued to follow one another. While seated in my vehicle, a silver Honda CRV failed to merge into the single lane along with all the other operating motorist. The CRV squeezed passed the front of my marked police vehicle that was creating a barricade and almost impacted the front of my vehicle, continuing east towards the scene of the traffic crash. I immediately got behind the vehicle activating my lights and sirens for the vehicle to stop which subsequently finally stopped where I made contact the driver and sole occupant. The silver Honda CRV bearing Ohio tag number HJQ8259 stopped in the left #1 lane. The driver was identified as W/M John Keefe 1/21/1976 to which I explained the reason for the stop which Keefe seemed confused. I explained that the entire was road was blocked due to bad traffic crash. I then asked Keefe for his license, registration and proof insurance. Keefe continued to seem confused at what I was requesting. Moments later he presented his drivers license, and I again asked him for his registration and proof of insurance. Keefe began to throw his hands up saying he didn't know what is was. While speaking with Keefe, his words were slurred and he could not follow simple directions, his eyes appeared glossy and watery. As another Deputy arrive I asked him to roll down the passenger window, Keefe responded by reaching over and hitting the door lock. I again explained what I was asking for and Keefe responded by throwing his hands up saying " I don't know, I ll do anything."

Due to the odor of an alcoholic beverage coming from Keefe's person, his glossy/watery eyes and his inability to follow directions I suspected Keefe to be operating a motor vehicle while impaired. At that time I requested a DUI Unit to respond. Investigator Cisson ID# 24091 arrived and the investigation was turned over to him.

ON THE 6th DAY OF February 20 24, AT 2106 AM ✓ PM

SUBJECT: Keefe, John, E CASE NUMBER: 24032151

AGENCY: PALM BEACH COUNTY SHERIFF'S OFFICE ARRESTING OFFICER: Investigator J. Cisson

PERSONAL CONTACT

DRIVING PATTERN: Actual physical control (physical evidence or statements putting def. behind wheel of vehicle)

On Tuesday, February 6th 2024 at approximately 2109 hours, I arrived on a traffic stop at Okeechobee Blvd and Powell Rd, in unincorporated West Palm Beach, FL 33411 (Palm Beach County). Note the Roadway was closed due to a crash that occurred previously at the same address. The roadway was closed for eastbound traffic and was being diverted west of the crash at a turn lane. Upon arrival, I spoke with Deputy B. Feddon ID# 31910 who relayed the following to me the reason for the stop was for driving around a barricade, FSS 316.078(1), his contact and observations of the driver. In this case, the marked PBSO patrol vehicle was the barricade to detour traffic along with the lit flares on the roadway. The driver was in actual physical control (driving) and was alone. He completed a supplemental probable cause affidavit and it is attached to this packet.

OBSERVATION OF DRIVER:

I observed the defendant, John Edward Keefe who was wearing a white hoodie, blue jean pants, and black Crocs. The defendant was sitting in the driver seat of his vehicle and he was alone. I asked him to step out of the vehicle and he refused. He began to get agitated and aggressive. He still refused to get out of the driver seat, failing to obey a lawful command. I opened the door and told him to get out of the vehicle. He stepped out but was still a little aggressive while speaking with me. I asked the defendant to walk over to the front of my vehicle and refused. He would only stand in the grass median and wanted to argue. When he walked from the driver side of his vehicle to the front and then into the grass median, *he was unsteady on* his feet and staggered as walked. While standing stationary the defendant swayed. I could see the defendants eyes were bloodshot and glossy. He had an obvious odor of an unknown alcoholic beverage emitting from his breath that grew stronger as he spoke. The defendants speech was slurred.

DRIVER'S STATEMENTS:

The defendant said he did not have any medical problems I needed to be aware of and he did not need EMS for any reason. He would not tell me how much alcohol he consumed. I asked the defendant to submit to roadside field sobriety tasks to which he refused. (Taylor) I said to the defendant, if you fail to submit to the roadside tasks I am requesting, it can be used against you in court. If you fail to submit to the roadside tasks I am requesting, I will be forced to conclude my investigation and base my decision as to your impairment solely what I've observed up until this point. He again refused to do the tasks.

ODORS:

An obvious odor of an unknown alcoholic beverage
