Probable Cause

While patrolling east on Northlake Blvd. west of State Road 710, I observed a small gray color vehicle driving on the right shoulder in the grass traveling west on Northlake Blvd. I made a U-turn and pulled in behind the vehicle, now known to me as a Rivian Electric Vehicle. As I approached the vehicle to initiate a traffic stop, the vehicle was still observed driving on the shoulder, entirely. The probable cause for my lawful traffic stop was a vehicle driving off the paved travel lanes, traveling on the grass shoulder not designed for vehicular traffic.

The vehicle stopped immediately upon me turning on my emergency equipment and I pulled onto the right shoulder behind the Rivian. I contacted the Driver, now known to me as John Edwin Andio, FL DL A530425684660. I walked up and contacted Andio and asked what he was doing and informed him he was driving on the grass. Andio displayed slow deliberate movements that based on my experience is that possibly of an impaired driver. Andio's speech was slow and slightly slurred, eyes seemed droopy. Andio provided me with his Florida Driver License and Florida Registration when asked to provide them. I asked him to stand by as I walked back to my vehicle. While in my vehicle it was observed that Andio would touch his brakes, turn signals, etc. I informed him via Public Address System (PA) not to move the vehicle and he complied.

After discussion with my supervisor and notifying Lake Worth Communications Center (LWCC) of the stop and providing necessary information, I walked back and spoke with Andio again. I asked him to step from his vehicle and he complied. Once the rear of the vehicle I asked if had taken any medication and he informed me he took Trazodone as a sleep aide around 05:30 AM. He stated he had no alcoholic beverages. I informed him I believed he was impaired beyond his normal faculties

and I would like to transport him in my vehicle to the shopping center about 1000 feet away for Field Sobriety Exercises. Andio agreed and was cooperative.

Andio was given a brief pat down for weapons and placed in my vehicle and seat belted. While enroute he spoke with someone on his cell phone and once at the shopping center he refused all Field Sobriety Tests and Nystagmus. I then informed him he was under arrest, placed him in handcuffs (checked for tightness and double locked) for violation of FLA STAT § 316.193 (1), refusal and suspicion of driving under the influence. On the way back to the scene of the stop, Andio started to bait me into a confrontation by speaking about my family. Ignoring his comments, I advised him of his Miranda Rights, because he was uttering continuously on camera. Back at the scene I asked for a tow truck and a backup unit to step up their response to my location. I asked Andio for his car keys or key FOB to inventory his vehicle incident to arrest. He became uncooperative and would not help me in any way. Andio secured in my vehicle, I performed a walk around of the Rivian and noticed that there was what appeared to be fresh damage to the center hood area above the grill. It appeared as if the vehicle collided with a small fixed object, like a post. Once Kauffs towing arrived to tow the Rivian, Andio would still not cooperate and let us in his vehicle. The tow truck driver, Travis Munn, tried to explain that he needed to put the Rivian in neutral to load it on the tow truck, Andio was still uncooperative. An Employee of Andio's Company stopped out because he noticed the vehicle and offered to take the vehicle and secure it. Andio refused and told his employee, Kevin, not to take the vehicle. I asked Andio to step out of my vehicle, he complied, and he was searched again for a key FOB, he did not have one.

I then placed Andio in Trooper Easton's patrol vehicle for transport to the Palm Beach County Jail and had the tow truck leave the scene as well as Andio's employee, Kevin. Andio stated he was OK with leaving his car roadside and locked, per my supervisor, Mike Leo, he stated that was fine but to red tag it, which I did.
Andio was able to exit Troop Easton's vehicle and started to walk on the shoulder, I immediately secured him and placed him in Trooper Easton's vehicle again. Andio would not comply and his left leg / foot onto Trooper Easton's vehicle door.

I tried several times and he locked his foot under the door and locked his knee actively preventing me from putting his leg into Trooper Easton's vehicle so we could close the door. I informed Andio that I would have no choice but to utilize my taser to get him to comply and he still locked his leg and would not allow me to place it into the vehicle. I utilized my taser on Indio's top, left, thigh in the drive stun mode to gain compliance, which he complied and placed his leg and foot into the vehicle. I then informed Andio he would be charged with FLA STAT § 843.02 (resisting arrest without violence). Trooper Easton and myself started enroute to the jail however my Supervisor, Mike Leo, instructed us to go back to the scene because of the Taser use. Back at the scene roadside, Andio again became uncooperative and started kicking Trooper Easton's door window.

It should be noted that Andio managed to remove his seatbelt several times both in my vehicle and

Trooper Easton's. I used a hobble to secure Andio's feet and tied it to the rear seat to prevent Andio from lifting his legs and kick the window preventing him from injuring himself or damaging State property. While placing the seatbelt on Andio leaned over and kissed me on the right cheek. Sgt. Leo arrived and interviewed Andio which I am not witness to. Andio was transported by Trooper Easton to the Palm Beach County Jail, Myself and Sgt. Leo followed. Arriving at the Palm Beach County Jail's BAT unit, Andio was monitored for 20 minutes, asked to provide a breath sample and he refused. I read Andio his Implied Consent and again he refused and asked to speak with his Attorney before providing a breath sample. After Mr. Andio was taken out of the breath testing facility and taken over to booking. All of the above events occurred in Palm Beach County Florida.
