PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.
☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
☐ confessed to _____ admitting to the below facts.
☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 17 day of February, 2024 at 05:19 (Specifically include facts constituting cause for arrest.)

This incident occurred in Palm Beach County, Florida, in the City of Riviera Beach.

On 02/17/2024 at hours, a traffic stop was conducted in the area of 2500 Bock of Broadway in the city of Riviera Beach, FL 33404.

My Body-worn camera was utilized.

The vehicle that was stopped was a silver Mercedes Benz 2-door work van bearing Florida tag HYKZ12.

The traffic stop was initiated because the work van was driving upon sidewalk, preventing the flow of pedestrians from walking on the sidewalk.

Upon making contact with the driver, who was later identified as Jonathan Edward Jablonski (DOB: 09/15/1972 W/M), it was observed that he was talking on the phone with the engine still running and the driver-side door open, with his left leg dangling outside. Upon interacting with Jonathan, it was apparent that he was driving under the influence of alcoholic beverages, as his speech was slurred and there was a strong odor of alcohol emanating from him. When asked to provide identification, Jonathan got out of the driver`s seat but couldn`t stand up without leaning on something.

Jonathan was arrested for driving under the influence after being involved in an accident. Due to his inability to stand, the roadside test could not be administered.

Jonathan was transported to JFK Medical Center to be medically evaluated, and while at the hospital, Jonathan advised the nurse that he had been drinking all day. Shortly after being at the hospital, Jonathan was cleared medically, allowing me to take Jonathan to Palm Beach County Jail.

PROBABLE CAUSE STATEMENT

Jonathan was then transported to Palm Beach County Jail to initiate a Breath Alcohol Test (BAT). While at the Palm Beach County Jail BAT division, Jonathan was read his Constitutional Warning via PBSO form and advised that he would be willing to provide a Breath Alcohol Test.

When the Alcohol Breath Test was initiated by the Palm Beach County Alcohol Breath Test tech, it was revealed that Jonathan had blown on his first breath sample of .307 at 4:09 AM. A second test was conducted, which revealed that Jonathan blew a breath sample of .308 at 4:12 AM.

Due to the defense blowing three times the legal limit, he was arrested for violation of Florida State Statute 316.193 (3)(C)- DUI - Personal Injury/Property Damage.

The defendant, Jonathan, was turned over to the Palm Beach County Jail with no further incident.
